PROFICIENCY LEVEL DESCRIPTORS

Pre-Emergent

The student at this level has a limited ability to write in English. The student recognizes that spoken words are represented by written language. The student relays short messages by drawing, using imitative writing, or dictating key words to an adult.

Emergent

The student at this level has a limited ability to write in English. The student recognizes that spoken words are represented by written language. The student relays short messages by drawing, using imitative writing, or dictating key words to an adult. The student may be able to write letters of the alphabet and first name with a capital letter.

Basic

The student at this level has a limited ability to write in English. The student recognizes that spoken words are represented by written language. The student relays short messages by drawing and using sound/symbol relationships to write words and phrases. The student organizes writing from left to right, top to bottom with spacing between words. Errors in writing conventions impede reader's comprehension.

Low Intermediate

The student at this level has a limited ability to write in English. The student applies sound/symbol relationships to spell single-syllable and high frequency words. The student uses basic writing conventions to write sentences, paragraphs, poems and a variety of functional text. The student uses correct subject/verb agreement in a variety of writing applications. Errors in writing conventions may impede reader's comprehension.

Writing

High Intermediate

The student at this level has the ability to write in English. The student applies sound/symbol relationships to spell single-syllable and high frequency words. The student uses writing conventions to write one or more paragraphs in a variety of writing applications. The student uses correct subject/verb agreement in a variety of sentence types. Errors in writing conventions will not impede reader's comprehension.

Proficient

The student will demonstrate competency in Writing based on the knowledge, skills, and abilities specified in the Performance Indicators at the High Intermediate level in order to access grade-level academic content.
