

## **Arizona Report of Public Agency Performance on Participation and Performance of Children with Disabilities on Statewide Assessments**

Note: This report gives information on Indicator 3C—Proficiency Rate. Another assessment reports gives information on Indicator 3B—Participation Rate.

### **Indicator 3C—Proficiency Rate**

Proficiency rate for students with IEPs against grade level standards and alternate academic achievement standards.

### **Measurement**

The proficiency rate is the number of students with IEPs who are proficient divided by the total number of students with IEPs. Math and reading proficiency are calculated separately.

### **Data**

The State achievement assessment for ELA and Math is the Arizona's Measurement of Educational Readiness to Inform Teaching (AzMERIT). The State Alternate Assessment based on Alternate Achievement Standards (AA-AAS) is the Multi-State Alternate Assessment (MSAA) for ELA and Mathematics.

The proficiency data are from school year 2015-2016, reported separately for mathematics and for ELA. The data include students with IEPs who took the AzMERIT with no accommodations or using standard accommodations. The data include all the grades assessed (grades 3 through 8 and high school). The data are the same as used for accountability reporting under Title I of the Elementary and Secondary Education Act (ESEA).

A public education agency (PEA) listed with an asterisk (\*) means it had fewer than 10 students with IEPs enrolled in the grades assessed. In these instances, the data are not reported to ensure confidentiality.

### **Mathematics Proficiency**

There is no single State target for mathematics proficiency. Refer to the FFY 2015 Annual Performance Report (APR) for State targets and State results for each grade assessed. The targets listed in the APR are the same as the State's ESEA targets.

### **State Results: 14.7%**

This percentage represents the total number of students with IEPs in the State who met or exceeded the standards divided by the total number of students with IEPs in the State who were enrolled on the assessment date.

## Reading Proficiency

There is no single State target for reading proficiency. Refer to the FFY 2014 Annual Performance Report (APR) for State targets and State results for each grade assessed. The targets listed in the APR are the same as the State's ESEA targets.

### State Results: 13.1%

This percentage represents the total number of students with IEPs in the State who met or exceeded the standards and who was enrolled for a full academic year divided by the total number of students with IEPs in the State who were enrolled on the assessment date.
