## Arizona Priority and Focus Schools

Provided is the list of schools identified as either a Focus or Priority school, per federal guidelines under Arizona's approved ESEA flexibility request. For definitions of the criteria used to identify a school as Focus or Priority school, please refer to the key at the end of this document. Not all Title I schools receive a Focus or Priority designation. If a school is not listed in this document, it was not identified with a Focus or Priority designation. This list is sorted alphabetically by the name of the Local Education Agency (LEA) and then by the name of the school.
