- b. \$4,000
- c. \$1,700
- d. \$50

6. The average monthly earnings for a graduate with a bachelor's degree is ____.

- a. \$2,500
- b. \$4,000
- c. \$1,700
- d. \$50

***BONUS**

What is the best university in the world?

My Road Trip to College & Career Vocabulary

1. **Advanced Placement**-college-level courses offered at high school in which a student has the opportunity to earn advanced placement, credit or both at a college or university.
2. **Advancement Via Individual Determination (AVID)**- college-readiness system designed to increase the number of students who enroll in four-year colleges.
3. **Arizona High School Graduation Requirements**-the minimum subject credits required to graduate from high school: English-4; Math-4; Science-3; Social Studies-3; CTE/Fine Art-1; Elective-7.
4. **Associate's degree**- two-year degree from a community/junior college.
5. **Bachelor's degree**-a four-year degree from a college, university or professional school.
6. **Career**-an occupation or profession, especially one requiring special training, followed as one's lifework.
7. **College**- a school, sometimes but not always a university, offering special instruction in professional or technical subjects.
8. **Community College**- a two-year public institution providing higher education, granting certificates, diplomas, and associate's degrees.
9. **Dual Enrollment**-a student enrolled in high school is also enrolled at a local institution of higher learning, such as a community college or university. The student may take classes at either institution for credit toward their high school diploma, as well as for college credit.
10. **Education and Career Action Plan (ECAP)**- reflects a student's current plan of coursework, career aspirations, and extended learning opportunities in order to develop the student's individual academic and career goals.
11. **Goals**: statements about what you intend to achieve.
12. **Grade Point Average (G.P.A.)**- the average of all grades received.
13. **Grants**-financial assistance that does not require repayment.
14. **Honors Course**- course that offers the same material as a regular class, but enriched with greater depth and a faster pace.
15. **International Baccalaureate (IB)**- three programmes of international education and rigorous assessment designed to help students aged 3-19 develop the intellectual, personal, emotional and social skills to live, learn and work in a rapidly globalizing world.
16. **Internship**-a job in a student's field of study; may be required in some academic programs and may include salary and college credit.
17. **Loans**-financial assistance that must be repaid.
18. **Postsecondary education**-education following the completion of high school.
19. **Prerequisite**: a course or courses that must be successfully completed before a student can enroll in the next-level course or more advanced courses.
20. **Scholarships**-financial assistance based on merit; do not require repayment.
21. **Transcript**-the cumulative official record containing the courses, semester hours, and grades earned by a student.
22. **University**-an institution for higher learning which contains a collection of colleges. When you go to a university you are going to be graduating from one of their colleges, such as the business college.

***Fill in each blank with a word from the
My Road Trip to College & Career Vocabulary on page 4**

Hint: The bolded words are clues to the answer.

1. I will need a total of _____ **credits** in order to graduate from high school.
2. Completing an _____ **degree** requires two years of study at a _____
_____ and completing a _____
degree requires four years of study at a **college** or _____.
3. In order to go to college I might need _____ that have to be **repaid** or I can qualify
for _____ or _____ which **do not require repayment**.
4. My _____ will provide me with an **average**
of all the grades I earn in school and will be placed on my _____.
5. My _____
_____ will help me with my **academic and career goals**.

My Score: _____

Items that must be packed in my suitcase

*This car has
passed
inspection.*

Add the number of filled circles for each letter:

with the number of jobs circled for each letter on page 12 and write the total number in the boxes above.

The three letters with the highest scores are your Interest Profile.

My Interest Profile: _____

CAREER CODES:

R

REALISTIC

Realistic people have athletic or mechanical abilities. They usually like to work outdoors with objects, machines, tools, plants or animals.

**Auto body repairer
Landscaper
Cabinet maker
Commercial driver**

**Electrician
Farmer
Mechanic
Surveyor**

A

ARTISTIC

Artistic people have innovative or intuitive abilities. They usually like to work in an unstructured situation, using their imagination or creativity.

**Actor/Actress
Architect
Composer
Dancer**

**Interior decorator
Musician
Stage director
Writer**

E

ENTERPRISING

Enterprising people also like to work with people, but they like to influence, persuade, or perform. They like to lead or manage for organizational goals or economic gain.

**Sales person
Buyer
Flight attendant
Cosmetologist**

**Manager
Lawyer
Insurance agent
Travel agent**

C

CONVENTIONAL

Conventional people like to work with data, have clerical or numerical ability and pay attention to detail.

**Accountant
Air traffic controller
Computer operator
Telephone operator**

**Receptionist
Secretary
Tax preparer
Mail carrier**

I

INVESTIGATIVE

Investigative people like to observe, learn, investigate, analyze, evaluate or solve problems.

**Engineer
Chemist
Biologist
Fire investigator**

**Meteorologist
Doctor
Pharmacist
Veterinarian**

S

SOCIAL

Social people like to work with others. They like to inform, enlighten, help, train, develop or cure people. They also may be skilled with words.

**Teacher
Counselor
Psychologist
Speech therapist**

**Athletic trainer
Dental hygienist
Physical therapist
Probation officer**

Do you feel that you fit?

It's OK if you don't think you fit any of the results above. Most occupations include more than one career code letter. For example, while doctors are mainly investigative, they also fall within the social and artistic areas. Interest inventories can help you explore career ideas that may not have occurred to you, but they are not meant to limit your choices.
