

State Tutor Fund

Availability

In December 2016, The **State Tutor Fund** application will **change the name** of the “**State Tutor Fund – LEA User**” role to “**State Tutor Fund – Coordinator.**” Users already assigned the *LEA User* role will automatically be assigned the *Coordinator* role, and the *Coordinator* role will be available for assignment at the LEA and school levels.

Description

The State Tutoring Program is designed to provide academic tutoring in reading, writing, and mathematics in order to improve student academic performance in High School AIMS/AzMERIT and/or Underperforming Schools. This application has additional security within the application. Please contact the program area if the user is not able to see the link in ADEConnect after the role is assigned.

Roles

Role Name	Permissions in Application
State Tutor Fund-General User	This role is to be assigned to tutors that teach at a school in a LEA. With this role, a tutor can add their students along with session time details. Tutors can only see their students and sessions.
State Tutor Fund-Vendor User	This role is to be assigned to tutors that are contracted with one of the state tutoring vendor companies. With this role, a tutor can add their students along with session time details. Tutors can only see their students and sessions.
State Tutor Fund – Coordinator <i>(formerly State Tutor Fund – LEA User)</i>	This role is to be assigned to site coordinators. With this role, the coordinator will be able to see sessions for all of the tutors who are assigned within their specific school at one time. A coordinator can also be a tutor at their school. This role will allow the user to enter students and sessions as a tutor and run reports on the other tutors at their school. There can only be ONE coordinator per school site.
State Tutor Fund- Vendor Admin	The Vendor Admin role will be able to see all of the tutors within their company at one time (not individual) who are assigned within their company and edit information one at a time.
