Migrant Student Application

Availability

Beginning **Aug 16, 2016,** the **Migrant Student Application** is available in ADEConnect with the roles listed below.

Description

The Migrant Student Application will provide public users the means to request services, schedule time with a recruiter, as well as submit a request for Migrant Transfer Document.

ADEConnect users assigned state, district and school-level roles will be able to see a list of requests by their location for follow-up, processing and historical details. All FERPA-related details will only be accessible via secure login with one of the roles listed below.

Roles

Role Name	Permissions in Application
Migrant Student: LEA User	District-level access to view/edit all requests for services for schools within the assigned district. *This role requires a secondary approval from ADE before role is assigned to person. Please allow 7 days for processing.*
Migrant Student: School User	Access to the list of requests based on the school for which the user has logged in. User can view/edit requests, as well as submit requests on behalf of a requestor who comes into the office. *This role requires a secondary approval from ADE before role is assigned to person. Please allow 7 days for processing.*
Migrant Student: School Signer	Includes same access as School User role, with additional ability to sign submitted applications. *This role requires a secondary approval from ADE before role is assigned to person. Please allow 7 days for processing.*
