Introduction

The Arizona Statewide Achievement Assessment for English Language Arts and Mathematics (AzM2) is Arizona's statewide achievement test. AzM2 assesses the Arizona English Language Arts Standards and Arizona Mathematics Standards adopted by the Arizona State Board of Education in December 2016. AzM2 will inform students, teachers, and parents about preparedness for college and careers upon graduating from high school. AzM2 tests are computer-based, meaning that they can better assess students' critical thinking skills and provide them with opportunities to demonstrate a deeper understanding of the materials. Computer-based testing also allows for the use of a variety of innovative items types.

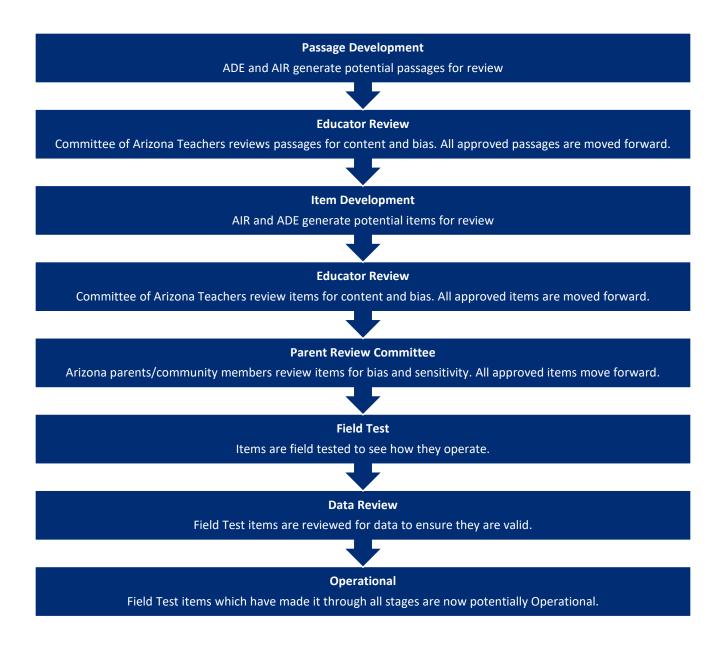

During the item-development process, all AzM2 items are written in accordance with the Item Specifications and are reviewed and approved by a committee of Arizona educators to confirm alignment and appropriateness for inclusion in the test. AzM2 items are generally representative of Arizona's geographic regions and culturally diverse population. Items are reviewed for the following kinds of bias: gender, racial, ethnic, linguistic, religious, geographic, and socioeconomic. Item reviews also include consideration of issues related to individuals with disabilities. Arizona community members also have an opportunity to review items for issues of potential concern to members of the community at large. Reviewers are asked to consider the variety of cultural, regional, philosophical, political, and religious backgrounds throughout Arizona, and then to determine whether the subject matter will be acceptable to Arizona students, families, and other members of Arizona communities.

This AzM2 Item Specifications is a resource document that defines the content and format of the test and test items for item writers and reviewers. Each Item Specifications document indicates the alignment of items with the Arizona English Language Arts Standards and Arizona Mathematics Standards. It also serves to provide all stakeholders with information about the scope and function of assessment items. This document can also serve to assist educators to understand how assessment items are developed in alignment with the standards for English language arts and math. These item specifications for AzM2 are intended to provide information regarding standards, item formats and response types. The descriptions of math practices, blueprints, and depth of knowledge in this document are meant to provide an overview of the test. Item specifications are meant for the purposes of assessment, not instruction. They are not intended to be tools for instruction or the basis for curricula. AzM2 has a test blueprint that was developed by Arizona and is different from any other state or consortium test blueprint.

The AzM2 ELA test will have a Writing part and a Reading Part 1 and Part 2 for all grade levels. Each writing test will have one or more passages that relate to a prompt. Students will create a written response to the prompt. Students will not answer comprehension questions about the prompt. The ELA standard-level item specifications provide information about the development of items aligned to the Reading Standards. AzM2 is designed to reflect the importance of using evidence and reading complex texts outlined in the Arizona English Language Arts Standards. Any item specifications that are absent for standards listed in this document may be under development. This document does not endorse the exclusion of the instruction of any grade-level content standards.

Item Development Process

AzM2 items go through a rigorous review before they are operational. When an item is "operational" it means it is used to determine a student's score on the assessment. This is a description of the process every item must go through before it is operational on AzM2.

Sample tests are available online for the ELA portion of AzM2. For more information view the Guide to the Sample Tests at www.AzM2portal.org.

Test Construction Guidelines

The construction of the AzM2 assessment is guided by the depth and rigor of the Arizona English Language Arts Standards. Items are created to address key components of the standards and assess a range of important skills. The AzM2 Blueprint provides an overview of the distribution of items on the AzM2 according to the standards. Further, the AzM2 blueprint outlines the Depth of Knowledge distribution of items.

Blueprint

The AzM2 blueprints detail specific information in regard to the strands tested at each grade level. The blueprint outlines the percentage of points aligned to each strand.

Grades 3 – 5 Reporting Category	Min.	Max.
Reading Standards for Literature	26%	35%
Reading Standards for Informational Text	26%	35%
Reading for Informational Text	26%	22%
Listening Comprehension	0%	13%
Writing and Language	26%	38%
Writing	13%	19%
Language	13%	19%

In Grades 3-5 some items in the Reading and Language strands will also be aligned to the standards for Reading: Foundational Skills.

Listening Standards will only be assessed on the computer-based assessment.

Depth of Knowledge (DOK)

DOK refers to the level of rigor or sophistication of the task in a given item, designed to reflect the complexity of the Arizona English Language Arts Standards. Items at DOK level 1 focus on basic tasks like, correcting grammatical and spelling errors, defining terms, and locating details or facts in texts. Items at DOK level 2 require a greater degree of engagement and cognitive processing than items at DOK 1. They may require students to show relationships or identify examples, use context to identify meaning, identify structures or features of texts, or distinguish between facts and opinions. Items at DOK level 3 feature higher-order cognitive tasks that assess students' capacities to read complex texts and think abstractly. They focus on critical thinking, developing and assessing logical arguments, making inferences, and citing evidence to support claims or conclusions. Finally, items at DOK level 4 require creativity, extensive planning, and/or sophisticated reasoning in the composition and organization of written essays. This information is not intended to provide an in-depth description of DOK, but rather a guide to the application of DOK for AzM2.

Percentage of Points by Depth of Knowledge (DOK) Level

For more information on DOK, please visit www.azed.gov/AzM2.

Item Formats

The AzM2 Assessments are composed of item formats that include traditional multiple-choice response items and technology-enhanced items (TEI). TEIs are computer-delivered response items that require students to interact with test content to select, construct, and/or support their responses. TEIs are better able to assess a deeper level of understanding.

Currently, there are seven types of TEIs that may appear on the ELA Grade 3 computer based assessment for AzM2:

- Editing Task Choice (ETC)
- Evidence-Based Selected Response (EBSR)
- Graphic Response Item Display (GRID)
- Hot Text (HT)
- Matching Item (MI)
- Multi-Select (MS)
- Open Response

For paper based assessments (including those for students with an IEP or 504 plan that specifies a paper based accommodation), TEIs will be modified so that they can be scanned and scored electronically or hand-scored.

See the table below for a description of each TEI. Examples of each response item format described may be found in the AzM2 Sample Tests at www.AzM2portal.org.

TEI Type	Description
Editing Task Choice (ETC)	The student clicks a highlighted word or phrase, which reveals a drop-down menu containing options for correcting an error as well as the highlighted word or phrase as it is shown in the sentence to indicate that no correction is needed. The student then selects the correct word or phrase from the drop-down menu. For paper-based assessments, the item is modified so that it can be scanned and scored electronically. The student fills in a circle to indicate the correct word or phrase.
Evidence-Based Selected Response (EBSR)	Multiple Choice/Multiple Select Format – The student is directed to answer a "Part A" multiple-choice item based on a passage, and is then asked to provide evidence in support of that answer by completing another "Part B" Multiple Choice item or a "Part B" Multi-Select item (see below). Multiple Choice/Hot Text Format – The student is directed to answer a "Part A" multiple-choice item based on a passage, and is then asked to provide evidence in support of that answer by completing a "Part B" Selectable Hot Text item (see below).

Graphic Response Item Display (GRID)	The student selects numbers, words, phrases, or images and uses the drag- and-drop feature to place them into a graphic. For paper-based assessments, this item type may be replaced with another item type that assesses the same standard and can be scanned and scored electronically.
Hot Text (HT)	Selectable Hot Text - Excerpted sentences from the text are presented in this item type. When the student hovers over certain words, phrases, or sentences, the options highlight. This indicates that the text is selectable ("hot"). The student can then click on an option to select it. For paper-based assessments, a "selectable" hot text item is modified so that it can be scanned and scored electronically. In this version, the student fills in a circle to indicate a selection.
Hot lext (HI)	Drag-and-Drop Hot Text - Certain numbers, words, phrases, or sentences may be designated "draggable" in this item type. When the student hovers over these areas, the text highlights. The student can then click on the option, hold down the mouse button, and drag it to a graphic or other format. For paper-based assessments, drag-and-drop hot text items will be replaced with another item type that assesses the same standard and can be scanned and scored electronically.
Matching Item (MI)	The student checks a box to indicate if information from a column header matches information from a row. For paper-based assessments, this item type may be replaced with another item type that assesses the same standard and can be scanned and scored electronically.
Multi-Select (MS)	The student is directed to select all of the correct answers from among a number of options. These items are different from multiple-choice items, which allow the student to select only one correct answer. These items appear in the online and paper-based assessments.
Open Response	The student uses the keyboard to enter a response into a text field. These items can usually be answered in a sentence or two. For paper-based assessments, this item type may be replaced with another item type that assesses the same standard and can be scanned and scored electronically.
Writing Prompt Items	Writing prompt items may require the student to use features of an online word processor. The student can perform various tasks within the online word processor such as bold text, use bullet points, underline, etc.

Stimulus Guidelines

Stimuli comprise a broad category of materials which can be used to measure student knowledge. A stimulus is usually a reading passage or set of reading passages, but can also be accompanied by other sources. Every question is associated with one or more stimuli. Currently, there are three types of stimuli for AzM2: stimuli for reading passages, stimuli for editing tasks, and stimuli for listening.

Every stimulus associated with AzM2 has been approved by a committee of Arizona Educators. Each stimulus has an associated Measurement of Complexity which analyzes its complexity according to the Arizona English Language Arts Standards.

Reading Passage stimuli will consist of one or more text passages. The passages may be informational or literary, and will cover a variety of topics. Passages may be accompanied by multimedia features, including audio presentations, slideshows, or graphical elements. The word count listed below is only a guideline for passage length. Passages can be longer or shorter than the range depending on other measures of text complexity. The complexity of the passages should be appropriate for the grade level of the test-taker.

Acceptable Word Count Ranges by Grade Level		
3	100–700	
4	100–900	
5	200–1000	
6	200–1100	
7	300–1100	
8	350–1200	
9	350–1300	
10	350–1350	
11	350–1400	

Editing Task stimuli will consist of a two- to four-paragraph passage with three to five grammar, spelling, and punctuation errors. The first sentence in the passage will not include errors. Students will edit the passage for grammar, spelling, and punctuation errors. The word(s) or phrases to be edited will be indicated by a highlight in the passage. The correction of each error will be worth 1 point.

Acceptable Word Count Ranges by Grade Band	
Grade Band Word Count Range	
3–5	100–200
6–8	200–250
9–11	250-300

Listening Stimuli will contain two or more components on the same topic: a reading passage or passage set followed by an audio presentation. Stimulus topics range from everyday life to current events, literature, poetry, art, music, physical education, health, mathematics, science, technical subjects, or social studies. The reading component of the stimulus can include informational graphics, tables, charts, or graphs.

Listening Timing		Passage W	ord Counts
Grade Level	Minutes	Grade Level	Words
3	0.75-2.0	3	200–250
4	0.75-2.0	4	200–250
5	0.75-2.0	5	250-300
6	0.75-2.0	6	250-300
7	0.75-2.0	7	300–350
8	0.75-2.0	8	300–350
9	0.75-2.0	9	300–350
10	0.75-2.0	10	300–350
11	0.75-2.0	11	300–350

Writing stimuli will include a prompt that has is related to one or more passages. Students will create a written response to the prompt. Students will not answer comprehension questions about the prompt. Scratch paper is permitted on both the CBT and PBT writing tests in order for students to compose a rough draft prior to formulating a "final" copy in the paper booklet or in the word processing area on the computer.

CBT— On the CBT students will have access to one or more passages that relate to a prompt, an electronic version of the Writing Guide and a word processing area to type their "final" response. On the CBT, students will have access to and be able to reference the appropriate Writing Guide.

PBT— On the PBT the students will have access to one or more passages that relate to a prompt, a print copy of the Writing Guide and a "final" copy area to write their response. On paper, the Writing Guide will also appear after the writing prompt and before the final copy area on the PBT. On the PBT, there will be three final copy pages with a line spacing of .375" for grades 3 and 4 (wide ruled) and .3" for grades 5–11 (college ruled).

Arizona English Language Arts Standards

Reading Standards for Literature

Key Ideas and Details

- 3.RL.1– Ask and answer questions to demonstrate understanding of a text, referring explicitly to the text as the basis for the answers.
- 3.RL.2– Recount and paraphrase stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in text.
- 3.RL.3– Describe characters in a story (e.g., their traits, motivations, or feelings) and explain how their actions contribute to the sequence of events.

Craft and Structure

- 3.RL.4– Determine the meaning of words and phrases as they are used in a text, distinguishing literal from nonliteral language.
- 3.RL.5— Refer to parts of stories, dramas, and poems when writing or speaking about a text, using terms such as chapter, scene, and stanza; describe how each successive part builds on earlier sections.
- 3.RL.6- Distinguish one's own point of view from that of the narrator or those of the characters.

Integration of Knowledge and Ideas

- 3.RL.7– Explain how specific aspects of a text's illustrations contribute to what is conveyed by the words in a story (e.g., create mood, emphasize aspects of a character or setting).
- 3.RL.8- (Not applicable to literature)
- 3.RL.9– Compare and contrast the themes, settings, and plots of stories written by the same author about the same or similar characters (e.g., in books from a series).

Range of Reading and Level of Text Complexity

3.RL.10—By the end of the year, proficiently and independently read and comprehend literature, including stories, dramas, and poetry, in a text complexity range determined by qualitative and quantitative measures appropriate to grade 3.

Reading Standards for Informational Text

Key Ideas and Details

- 3.RI.1— Ask and answer questions to demonstrate understanding of a text, referring explicitly to the text as the basis for the answers.
- 3.RI.2— Determine the main idea of a text; recount and paraphrase the key details and explain how they support the main idea.
- 3.RI.3— Describe the relationship between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text, using language that pertains to time, sequence, and cause/effect.

Craft and Structure

- 3.RI.4— Determine the meaning of general academic and domain-specific words and phrases in a text relevant to a *grade 3 topic or subject area*.
- 3.RI.5— Use text features and search tools (e.g., key words, sidebars, hyperlinks) to locate information relevant to a given topic efficiently.
- 3.RI.6—Distinguish one's own point of view from that of the author of a text.

Integration of Knowledge and Ideas

- 3.RI.7— Use information gained from illustrations (e.g., maps, photographs) and the words in a text to demonstrate understanding of the text (e.g., where, when, why, and how key events occur).
- 3.RI.8— Describe the logical connection between particular sentences and paragraphs in a text (e.g., comparison, cause/effect, first/second/third in a sequence).
- 3.RI.9— Compare and contrast the most important points and key details presented in two texts on the same topic.

Range of Reading and Level of Text Complexity

3.RI.10—By the end of the year, proficiently and independently read and comprehend informational texts, including history/social studies, science, and technical texts, in a text complexity range determined by qualitative and quantitative measures appropriate to grade 3.

Standards for Speaking and Listening

Comprehension and Collaboration

- 3.SL.2— Determine the main ideas and supporting details of a text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally.
- 3. SL.3– Ask and answer questions about information from a speaker, offering appropriate elaboration and detail.

Standards for Language

Conventions of Standard English

- 3.L.1– Demonstrate command of the conventions of Standard English grammar and usage when writing or speaking.
 - a. Explain the function of nouns, pronouns, verbs, adjectives, and adverbs in general and their functions in particular sentences.
 - b. Form and use regular and irregular plural nouns.
 - c. Use abstract nouns (e.g., childhood).
 - d. Form and use regular and irregular verbs.
 - e. Form and use the simple verb tenses (e.g., I walked; I walk; I will walk).
 - f. Ensure subject-verb and pronoun-antecedent agreement.
 - g. Form and use comparative and superlative adjectives and adverbs, and choose between them depending on what is to be modified.
 - h. Use coordinating and subordinating conjunctions.
 - i. Produce simple, compound, and complex sentences.
 - j. Write one or more paragraphs that explain a main idea within a topic and support it with details and conclusions/closure.
- 3.L.2– Demonstrate command of the conventions of Standard English capitalization, punctuation, and spelling when writing.
 - a. Use commas in addresses.
 - b. Use commas and quotation marks in dialogue.
 - c. Form and use possessives.

Vocabulary Acquisition and Use

- 3.L.4— Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 3 reading and content, choosing flexibly from a range of strategies.
 - a. Determine the meaning of the new word formed when a known affix is added to a known word (e.g., agreeable/disagreeable, comfortable/uncomfortable, care/careless, heat/preheat).
 - b. Use a known root word as a clue to the meaning of an unknown word with the same root (e.g., company, companion).
 - c. Use sentence-level context as a clue to the meaning of a word or phrases.
 - d. Use glossaries or beginning dictionaries, both print and digital, to determine or clarify the precise meaning of key words and phrases.

- 3.L.5- Demonstrate understanding of word relationships and nuances in word meanings.
 - a. Distinguish the literal and nonliteral meanings of words and phrases in context (e.g., *take steps*).
 - b. Identify real-life connections between words and their uses (e.g., describe people who are *friendly* or *helpful*).
 - c. Distinguish shades of meaning among related words that describe states of mind or degrees of certainty (e.g., *knew, believed, suspected, heard, and wondered*).

Standards for Writing

Text Types and Purposes

- 3.W.1- Write opinion pieces on topics or texts, using reasons to support one's point of view.
 - a. Introduce the topic or text, state an opinion, and create an organizational structure that lists reasons
 - b. Provide reasons that support the opinion.
 - c. Use linking words and phrases (e.g., *because*, *therefore*, *since*, *for example*) to connect opinion and reasons.
 - d. Provide a concluding statement or section
- 3.W.2—Write informative/explanatory texts to examine a topic and convey ideas and information clearly.
 - a. Introduce a topic and group related information together; include illustrations when useful to aiding comprehension.
 - b. Develop the topic with facts, definitions, and details.
 - c. Use linking words and phrases (e.g., *also, another, and, more, but*) to connect ideas within categories of information.
 - d. Provide a concluding statement or section.

Writing Standards: Foundational Skills

- 3.WF.3- Know and apply spelling conventions and patterns.
 - a. Spell single-syllable words with less common and complex graphemes (e.g., ough, augh, old, -ind, -ost, -ild families).
 - b. Identify language of origin for words, as noted in dictionaries.
 - c. Spell singular and plural possessives (e.g., teacher's, teachers').
 - d. Spell regular two-and three-syllable words that:
 - 1. Combine all basic syllable types: closed, VCe (Vowel-Consonant-silent *e*), open, vowel team, vowel-*r*, and consonant *le*.
 - 2. Include common, transparent prefixes and suffixes (e.g., re-, pre-, sub-, un-, dis-, mis-; -able, -ness, -ful, -tion).
 - e. Spell grade-level appropriate words in English, as found in a research-based list (*See guidelines under Word Lists in the ELA Glossary), including:
 - 1. Irregular words.
 - 2. Pattern-based words.
