*All adoption/revision dates are proposed dates until formerly opened for review

Definitions:

- Adoption/Revision indicates that entire SBE approved standards revision process would be carried out.
- Full Implementation indicates that all LEAs are fully utilizing the standards for curriculum alignment; state assessments (if applicable) re-aligned to standards.
- Implementation review indicates a formal process where LEAs are asked to provide input and express needs for professional development and/or clarification in the language of the standards. If review indicates need for revision of standards, the revision process would be implemented.
