MEMORANDUM

To: Summer Food Service Program (SFSP) Sponsors
National School Lunch Program (NSLP) Sponsors

From: Melissa Conner, Associate Superintendent
Arizona Department of Education, Health & Nutrition Services

Date: January 30, 2017

RE: SFSP Program Year 2017 Application and Program Announcement

Original Signed

The Arizona Department of Education (ADE), Health and Nutrition Services is pleased to announce the upcoming 2017 Summer Food Service Program (SFSP). SFSP was originally established in 1968 as part of the Child Care Food Program (which is now Child and Adult Care Food Program), thereby making the infrastructure of the two programs very similar. The CACFP/SFSP team will continue to provide participants with staff accessibility, applicable training, quality technical assistance and continual program oversight.

Additionally, this memo provides all current and potential SFSP sponsors with necessary information to meet application and training requirements for the new program year. The following topics are discussed in this memo:

- Training opportunities; both mandatory and elective
- Annual application deadlines, process, and requirements
- How to utilize School Foods in the SFSP
- E-Memorandum
- Important Program reminders and updates

Training Requirements

Please review the below information regarding training. Training is available to all qualified entities interested in being a SFSP sponsor. Non-profit organizations and government entities (that are not schools) will not be approved to operate the Program unless they have attended Program training in the current year.

SFSP training is not mandatory for returning school sponsors that have previously operated a successful Seamless or Simplified summer program; however, it is highly recommended. New staff members and sponsors that had operational review findings from the prior year are encouraged to attend as well.

ADE is holding two SFSP Summits this year. Both Summits will be at

Mesa Convention Center
263 N. Center Street
Mesa, Arizona 85201

- 1. February 14, 2017 - Summer Food Service Program Summit for Schools, Non-Profit Organizations, and Government Entities who wish to sponsor the SFSP:** This training is required for all interested SFSP sponsors that are non-profit or government entities. Even though the training is optional for schools, schools are strongly encouraged to send staff members that wish to learn how to manage the SFSP. This Summit day will provide quality information about program operations and site management. Sessions will discuss how to manage sites, account for program expenses, how to file a claim, and how to reconcile revenue and expenses. It will allow sponsors to learn about community resources and discuss with peers successful marketing strategies. Additionally, it will provide information on how to access additional food resources through USDA Foods. The Summit check-in begins at 7:00 AM and the Summit runs from 8:00 AM to 4:00 PM.

Please register at www.ade.az.gov/onlineregistration.

- 2. February 15, 2017 - Summer Food Service Program Summit for Schools:** The School Summit is held in conjunction with the School Foods Processing Conference and will provide schools with information about the Seamless and Simplified program operations. It will allow schools to network, meet local partners and begin developing outreach strategies. The SFSP sessions are designed for both schools that have previously not participated in SFSP and schools that may have participated in the past and wish to evaluate returning to SFSP. Registration for the Summit closes on February 7, 2017 and all attendees must register to attend this event. Please note that due to facility food restrictions, no outside food or beverages will be allowed on the property.

that is located at <http://www.azed.gov/health-nutrition/cacfp/sfsp/>.

Meals served prior to ADE's approval of the application are not eligible for reimbursement. There are no exceptions!

USDA Foods Program (Formerly Commodities)

All SFSP sponsors may participate in the USDA Foods Program. Sponsors are required to pay a delivery fee for any cases of USDA Foods received, so please keep this in mind when considering participation in the program. These fees will be paid out of the sponsor's existing food service budget. For more information, contact a member of the School Foods team at FDP@azed.gov.

E-Memorandum Reminder

Health & Nutrition Services, SFSP posts all SFSP memoranda to the ADE website:
<http://www.azed.gov/health-nutrition/memorandum/>. **SFSP Sponsors are responsible for all information provided in SFSP Child Nutrition (CN) memos.** No hard copies will be mailed directly to the sponsor. Please visit the website regularly to review the most current information related to the SFSP.

Important Program Reminders and Updates

All sponsors planning to participate in the simplified SFSP are required to submit a realistic budget. **This includes all simplified sponsors. Schools, on the other hand, that successfully participate in the NSLP may contact their Specialists to discuss other options.**

Program Forms

Access to the required program materials for the 2017 program year will be distributed at the SFSP Summit. If an applicant is having difficulty downloading the provided electronic forms, an application will be sent by email. Sponsors may easily access items such as application instructions, memos and guidance manuals at <http://www.azed.gov/health-nutrition/cacfp/sfsp/>.

All SFSP sponsors that prepare meals will need to closely work with their applicable county health departments to ensure the proper food service permits are obtained for both the kitchen facility and sites. Please refer to the memo published by USDA, SFSP 07-2015 on the memo page of the ADE website.

Claims for Reimbursement

- Meals served prior to ADE's approval of the application cannot be claimed for reimbursement.
- Sponsors may submit claims for reimbursement at any time after the claim month ends. Claims are processed on an ongoing basis. Sponsors still must file the claim for reimbursement no later than 60 days after the claim month ends.
- June and July claims CANNOT be combined because the fiscal year ends June 30, 2017.

Advance Request

Simplified SFSP sponsors may request a reimbursement advance for any month in which they will be operating at least ten days. All requests must be made prior to serving meals for the month an advance is needed. **The initial advance will be based on realistic, approved administrative costs and projected revenue.** Prior to the second advance being disbursed, sponsors must provide detailed program training

State of Arizona
Department of Education

Superintendent of Public Instruction

documentation to their Program Specialist. ADE will subtract the amount of the advanced funds from the summited reimbursement claims. Sponsors in good standing that wish to be considered for advanced funds may request it on the application.

Sponsors that were deemed seriously deficient or owe fiscal action from a previous year are not considered “in good standing” and will not be approved for SFSP participation. Repayment of any fiscal action is a corrective action and a Program review cannot be closed until payment in full has been received. Outstanding corrective action and unpaid fiscal actions will lead to a seriously deficient determination. Seriously deficient sponsors (in any child nutrition program) are not eligible to participate in the SFSP. If a sponsor is declared seriously deficient while operating the SFSP, it is not eligible for an advance until the serious deficiency is permanently corrected and the review is closed.

Non-Associated Site Agreements

Sponsors who administer the SFSP at non-associated sites (sites owned by another entity, other than the sponsor), such as recreational programs, parks, vacation bible schools, etc., **must submit** a copy of a signed agreement between the legal operator of the non-associated site and the sponsor representative to ADE. A sample agreement is located at <http://www.azed.gov/health-nutrition/cacfp/sfsp/>. Sponsors may use this template or provide an agreement of their own, that at the minimum, specifies the details relating to meal service, times, dates, locations, etc.

Contact Information

If you have questions or concerns regarding this memo, please contact ADE at (602) 542-8700 and ask to speak with a SFSP Specialist. Returning sponsors have an assigned Specialist and can find specific contact information on the on-line Sponsor Application.
