DOCUMENTATION OF WITHDRAWAL

An Official Notice of Pupil Withdrawal form must be completed for students who withdraw. To confirm that a student transferred out, a school or LEA must have “official written documentation” that a student has transferred to another school or to an educational program that culminates in the award of a regular high school diploma (34 C.F.R. §200.19(b)(1)(ii)(B)(I)). Examples of official written documentation include: a request for student records from a receiving public or private high school or an educational program (that culminates in a regular high school diploma); or a written record of a response from an official in the receiving school or program acknowledging the student’s enrollment. A conversation with a parent or neighbor of a student, for instance, would not be considered official written documentation of a transfer.

A school or LEA must have written confirmation that a student has emigrated to another country (34 C.F.R. §200.19(b)(1)(ii)(B)), but need not obtain official written documentation. For example, if a parent informs a school administrator that the family is leaving the country, the school administrator may document this conversation in writing and include it in the student’s file.

Audit Process

To ensure pupil withdrawal data is accurate, complete and consistent, the Arizona Department of Education may audit Pupil Withdrawal and LEA Compliance documentation. The scope of the audit will examine data on the Official Notice of Pupil Withdrawal form, supporting documentation and data submitted to AzEDS by the school. The objective of the audit is to ensure accurate reporting consistent with the Official Notice of Pupil Withdrawal policies and procedures.

Upon a student’s withdrawal from a school, the LEA must document the withdrawal of students and maintain the Official Notice of Pupil Withdrawal on file along with supporting documentation in accordance with the LEAs record retention policy. Documentation is required for all Primary Withdrawal Types in section 10a of the Official Notice of Pupil Withdrawal. Documentation supporting use of a Primary Withdrawal Type must be an accepted form of documentation based on the withdrawal type. The Official Notice of Pupil Withdrawal should be signed by the student and/or a parent or guardian if applicable (i.e. student is a minor). Documentation must be signed and dated by an authorized representative of the LEA.

The Department may conduct audits at any time via site visit or desktop review. Upon request, a local education agency, school district, charter school, or any other entity shall provide the Department of Education the authority to examine and copy records, including all paper, electronic and other records relating to pupil withdrawal. All records requested shall be made available in their original form.

Home Schooled Students

This code is used for students who withdraw to be taught at home. A.R.S. § 15-802(B)(3) allows a student to be taught at home after certain requirements are met. The parent must file an affidavit with the county school superintendent that the child is attending a regularly organized private or home school. Official written documentation is required to apply this code. Documentation may include a letter of withdrawal or other written confirmation from the parent or guardian, or the affidavit filed with the county school superintendent.

Summer Withdrawal Codes

Certain S-codes may be submitted when a student fails to attend school as expected by the LEA for the current school year. Beginning in the 2016-2017 school year, only certain withdrawal transactions can use a corresponding summer code. Summer withdrawal codes may be used to update the student's cohort membership in compliance with state and federal laws. If a student assigned a cohort by ADE was enrolled on the last day of the previous school year and was pre-registered for the following school year, the appropriate summer withdrawal code (S-Code) may be submitted to AZEDS to update the student's cohort membership. The applicable S-code may apply to any date between the end of the last school year the student completed and beginning of the new school year for which the student pre-registered. Pre-registered students not assigned a cohort (non-high school) may not require a summer withdrawal if they fail to attend the beginning of the school year as expected.

EXAMPLE Jenny, class of 2020, completed her first year of high school with a year-end status of Promoted. She was expected to return as a 10th grade student. Jenny moves out of state, and her new school sends a request for a transcript. Jenny's high school in Arizona must update their cohort membership by submitting a withdrawal code of S21 prior to the start of the new school year and document the transcript request accordingly.

Changes in Withdrawal Codes

The withdrawal codes should be changed retroactively during the school year if additional information becomes available before the Year-End Enrollment Report is filed. Since withdrawal codes are used to calculate dropout and graduation rates, it is to a school's advantage to re-code those students whenever possible. However, ADE may update a student's cohort status based on another qualifying enrollment in another Arizona public school which may award a diploma.

EXAMPLE Luis was absent for two weeks, and his whereabouts were unknown. He was withdrawn as a W4. A week later, the school received a request from Maui High School in Hawaii for his school records. Luis's withdrawal was reclassified from a W4 (Absence/Status Unknown) to a W1 (Transfer). The Arizona school must have written documentation that Luis re-enrolled in school prior to the end of the fiscal year in which he dropped out in order to change Luis' exit code from a W4 to a W1.

Supplemental Withdrawal Reasons

Supplemental Withdrawal Reasons are only compatible with certain specific Withdrawal Codes.

Withdrawal Code	WR1: school choice: school identified for Federal School Improvement	WR2: school choice: school identified as persistently dangerous	WR3: school choice: individual transfer option	WR4: pregnancy / biological parent of a child
