Dear (parent’s name):

I represent ____________________________ child care nutrition program.
Your child care provider (name here)______________/center (name of
center)__________, receives reimbursement from the Child and Adult Care Food
Program (CACFP) for the meals served to your child(ren). In order to ensure the
integrity of the program we occasionally conduct surveys with the parents/guardians to
verify your child’s(ren’s) attendance in the child care provider’s home/center.
Participation in this survey will assist us in maintaining the integrity of the CACFP.
Following are a few questions to verify your child’s(ren’s) participation in the CACFP.
Please return completed survey in the provided self-addressed stamped envelope within
14 days. Your prompt return of the requested information will be appreciated. If you
decide not to participate in this survey, benefits to your child(ren) will continue.
