

NURSING SERVICES 51.3900.00

Program Description, Coherent Sequence, and Certification Information

PROGRAM DESCRIPTION

The **Nursing Services** program prepares students to perform routine nursing-related services to patients in hospitals or long-term care facilities under the training and supervision of a registered nurse. The Arizona State Board of Nursing must approve Nursing Assistant Training programs and the licensed Registered Nurse instructor as well as the program coordinator. Students completing this program will have the opportunity to take the Arizona examination to become a Certified Nursing Assistant.

The **Nursing Services** program can lead to the following certifications: Certified Nurse Assistant (CNA), Direct Care Worker (DCW), and/or Licensed Nurse Assistant (LNA).

Students completing the **Nursing Services** program will be prepared to participate individually and on teams, solve problems, think critically, and implement effective solutions. The program is designed and delivered as a coherent sequence of experiences using technical instruction, experiential learning, leadership exercises, and personal development through the Career and Technical Student Organization HOSA.
