Phoenix, AZ 85007*

## VISION

All Arizona Educators are supported as they prepare students for college, careers, and civic responsibilities.

## MISSION

To provide professional learning opportunities and resources that support best practices for standards-based teaching and learning.

## ABOUT US

We engage in the development, revision, and support the implementation of standards in the following content areas:

- Mathematics
- English Language Arts
- Science
- Social Studies
- Health Education
- Educational Technology
- World and Native Languages
- Physical Education
- The Arts
- Computer Science

## PROGRAMS

In addition to content standards, we engage in the implementation of the following programs and initiatives:

- Move on When Reading
- The Early Literacy Grant
- Excellence in Civic Engagement Program
- The Seal of Biliteracy
- The Rural STEM Grant Program Fund
- The Balanced Assessment Framework
- Formative Assessment & Instruction
- State Course Catalog Assistance
- Multi-Tiered Systems of Support (MTSS)
- Presidential Awards for Excellence in Mathematics and Science Teaching
- USDOE Mathematics and Science Partnership Program

## SERVICES

K-12 Academic Standards aims to offer services at minimal to no cost for educators. We also offer services in person and virtually to maximize participation.

- ✓ Conference Presentations
- ✓ Technical Assistance
- ✓ Professional Development

### Face-to-Face

- At ADE
- At school and district locations throughout the state

### Webinars

- Pre-Recorded
- Live
- **Your Time**

*We can provide dedicated webinars on a variety of topics on your schedule and to your staff. These are free and a great way to bolster your school or district professional development program.*
