

## **The School Needs Me Because...**

Thinking of school safety –

1. List 3 skills/qualities you bring to the SSP...(motivated, knowledge, previous success, etc.)
2. List 3 expectations you have of your SSP partners...
3. Why did you choose education/law enforcement/probation?
4. 1 word you use to describe children/teens...
5. What do you hope to achieve as a SSAPT this school year?
