# CONSIDER THESE QUESTIONS:

---

What is our program's vision for sustainability?

Why would funding benefit our children, families, and program?

---

Who is responsible for implementing sustainability plans?

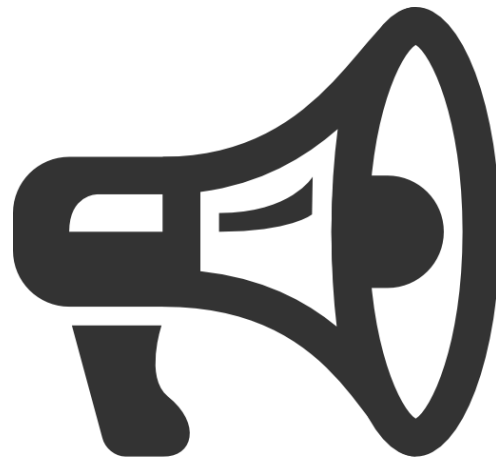

With whom can we to collaborate?

**What funding is currently available?**

**How does my program use this funding for preschool?**

# ACTION PLAN

Review your notes. Identify at least 2 goals to focus on around sustainability of funding.

Walk around the room and write down 1-2 ideas from each of the charts that you feel could be a possible strategy for helping each of your goals.
