Does the expelled student have an LRE code H within your district **and** within 6 in-session days after SPED Exit 11?

Troubleshooting:

- Verify LRE Entry & Exit Dates and Exit Reason.
- Verify you are reporting the student as Home Placement after Expulsion at a PEA within your district.
- Verify the LRE H is reported within your district within 6 in-session days.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.
