Rule #	Description	Message
90000	If the track begin and end dates are not within the fiscal year, report the discrepancy as warning.	The submitted track begin date {Actual1} and end date {Actual2} must be within the current fiscal year {Actual3}
90001	If the track begin and end dates are not instructional day, report the discrepancy as an error.	Track begin and end dates must be instructional days.
90002	If school calendar does not include required July 4 holiday on the specified date, then report discrepancy as error	Public schools are expected to recognize the July 4 holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.
90003	If school calendar does not include required Veteran's Day holiday on the specified date, then report discrepancy as error	Public schools are expected to recognize the Veterans'Day holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.
90004	If school calendar does not include required December 25 holiday on the specified date, then report discrepancy as error	Public schools are expected to recognize the December 25 holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.
90005	If school calendar does not include required Thanksgiving Day holiday on the specified date, then report discrepancy as error	Public schools are expected to recognize the Thanksgiving Day holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.
90006	If school Calendar has more than one Fall break, then report discrepancy as error.	Only one Fall break is allowed.
90007	If school Calendar has more than one Winter break, then report discrepancy as error.	Only one Winter break is allowed.
90008	If school calendar has more than one Spring break, then report discrepancy as error.	Only one Spring break is allowed.
90009	If calendar dates are not within the track begin and end dates, report discrepancy as an error	Each calendar date {Actual1} must be within track begin date {Actual2} and end date {Actual3}
90010	A school calendar track should have the specified minimum required number of instructional days.	A {Expected1} day school calendar track should have a minimum of {Expected2} instructional days.
90011	If a school is in a 200 day district, the school calendar must include 200 instructional days for all tracks. Otherwise report discrepancy as error.	A school operated by a 200 day district must include 200 instructional days for all tracks.
90012	If TrackLEAID is not a public entity (i.e. Sector Type 1), then report discrepancy as an error	TrackLEAID {Actual1} needs to be a public entity (i.e. Sector Type 1).
90013	If TrackLEAID is not submitting LEA, then report discrepancy as an error	A public SchoolID needs to be owned by TrackLEAID; or a non-public SchoolID not public, needs an AlternateEducationOrganizationRelationship table relationship with TrackLEAID.
90014	If number of school days in a week does not match with NumberOfInstructionalDaysInWeekDescriptorId, report a discrepancy as an error	The number of school days in a week does not match the valid number of instructional days in the week for the track submitted.
90015	If an AOI school submits a calendar, report a discrepancy as an error	AOI schools should not submit a calendar.
90016	If weekend day is applied to a day besides Saturday or Sunday, report a discrepancy as a warning	A Weekend descriptor can only be applied to Saturday or Sunday: {Actual1}
90017	If a Track has multiple descriptors for a given date between the track begin date and end date, report the discrepancy as an error.	For each calendar date {Actual1} of a track, there must be exactly one descriptor.
90018	If a track's end date is not greater than its track begin date, report the discrepancy as an error.	The end date {Actual1} for a track can not be before the begin date {Actual2} of the track
90019	If there is any missing date between track begin date and end date then report it as an error	Track {Expected1} submitted has missing descriptorID for the {Expected2}
90020	If the track number and NumberofSessiondaysInWeek does not match with required NumberofSessiondaysInWeek in TrackType then report the discrepancy as an error	The number of instructional days in a week submitted for Track {Expected1} does not match the {Expected2} days per week it is allowed to have.

Note: Calendar Integrity has Dynamic Messages for some of the rules where you see { }. For Example, rule 90000 message: The submitted track begin date 6/1/2018 and end date 6/2/2018 must be within the current fiscal year 2019.
