History Log and Creating Comments

LEA/External Users

This page is intentionally blank

History Log

- Maintains transparency by displaying comments related to the system activity (such as application status changes), as well as user comments entered by Program Areas, Grants Management, and LEA/External Users.
- Click on the [History Log](#) link on the Sections page of the [Funding Application](#) to view all comments related to the [Funding Application](#) (and [Completion Report](#)).
 - **Note:** there is a separate [History Log](#) for the [Reimbursement Requests](#), [General Statement of Assurance](#), and [Indirect Cost](#).

Note: [History Log](#) for the [Reimbursement Request](#), [General Statement of Assurance](#), and [Indirect Cost](#) has only one view, and it displays all comments related to the [Reimbursement Request](#), [General Statement of Assurance](#), and [Indirect Cost](#), respectively. These comments do **not** appear in the [Funding Application History Log](#).

Creating Comments

Any users in GME can create comments that will be **permanently** displayed in the History Log. Once comments are made, they **cannot be edited or deleted**.

User created comments may include:

- Program Area comments relating to applications returned as not approved, requests for LEA to take actions relating to [Funding Application](#), [Completion Reports](#), [Reimbursement Requests](#), [General Statement of Assurance](#), or [Indirect Cost](#).

- Grants Management comments relating to actions within the system that impact functions or data.
- LEA/External User comments created at the user's discretion.

When creating comments, remember:

- Comments are public when application is approved.
- Comments cannot be edited or deleted once they are visible in the [History Log](#).

How to Create Comments

1. Select [Create Comment](#) link on any of the sections page.
2. Enter the comments in the narrative field.
3. Hover over the [Save and Go To](#) to save the comments and navigate to another page.

Emailing Comments

To email comments to ADE contacts and/or other LEA users, after entering the comments, but BEFORE leaving the page, check the Send Email to GME Contacts box.

Once you check the aforementioned box, you will see the following Available Contact Groups:

- LEA Contacts by Funding Application: choose your organization's contacts associated with this Funding Application (assuming there are LEA contacts associated with the Funding Application).
- LEA Contacts by Role: send to others in your organization based on their roles, such as all users with the role of LEA Business Manager.
- Other LEA Contacts: send to County Business Manager (when not sending by specific email address).
- ADE Contacts: send to the Program Areas and Directors associated with the Funding Application.
- ADE Miscellaneous Contacts: sent to specific individuals within Department of Education.
- Additional Recipients: enter individual email addresses.

Note: you must click ADD button after each selection is made.
