Work completed:	During the meeting the working group committee worked to revise the draft Arizona Computer Science standards based on review of technical comments.
Artifact (s):	<p>Artifact 1: Draft Standards Document</p> <ul style="list-style-type: none"> <li>• Areas moved or suggested deletions are typed in <del>red strikethrough font</del>.</li> <li>• Areas that are added to the draft standards are typed in blue font.</li> <li>• Areas that were updated by the consultant are typed in green font.</li> </ul> <p>Artifact 2: This Artifact has 2 components. The first is a listing of technical feedback comments from the computer science working group committee. It includes the comments made previously during the 14 August 2018 committee meeting; and those new comments made by the standards groups from grades 3 through 12 during the 28 August 2018 meeting. The second is a listing of the working group’s feedback to technical comments from grades Kindergarten through 2 from the 28 August 2018 meeting. The comments from grades Kindergarten through 2 for the 28 August 2018 meeting were pared down to those comments regarding content change and not formatting changes in order to save time and allow those grades to finish work by the end of the day.</p> <ul style="list-style-type: none"> <li>• Artifact 2: Part 1-Pages 1-7, overall working group committee responses to technical reviewer’s comments. <ul style="list-style-type: none"> <li>• All commenters were given the opportunity to agree or disagree with each portion of the standards and comment about all sections.</li> <li>• If the item was actionable by the committee (yes/no) in column B.</li> <li>• What the item addressed (specific standard, key concepts, organization, etc.) in column C.</li> <li>• Committee revised draft based on agreed public comment/feedback in column D.</li> </ul> </li> <li>• Artifact 2: Part 2-Pages 8-9, Kindergarten through 2<sup>nd</sup> grade working group committee responses to technical review’s comments from 28 August 2018. As the working groups discussed the feedback/comment, they determined and commented on the following: <ul style="list-style-type: none"> <li>• The actual comment from the technical reviewer in column B.</li> <li>• Suggested direction for the working group to consider in column C.</li> <li>• Actions taken by the working group committee reviewer in column D.</li> </ul> </li> </ul>
Plans for next meeting:	The next working group meeting will be held virtually. Working group members will review the finalized content progressions for their grade level(s) and also review the Vision, Introduction, Glossary and Appendices for accuracy.
