

STAGECRAFT 50.0500.20

Program Description, Industry Credential, Coherent Sequence, and Teacher Certification

PROGRAM DESCRIPTION

The **Stagecraft** program prepares individuals to apply artistic, technical and dramatic principles and techniques to the communication of dramatic information, ideas, moods, and feelings through technical theatre methods. The **Stagecraft** program includes instruction in set design, lighting design, sound effects, theatre acoustics, scene painting, property management, costume design, and technical direction and production and use of computer applications to support these functions.

The **Stagecraft** program is delivered as a coherent sequence of courses designed to offer students knowledge and skills that meet the need of the workplace. The Professional Skills developed by business and industry leaders across Arizona are integrated throughout the program. Students learn how to get along with their team members, to make critical decisions, to solve problems, to develop respect, and to be successful in their chosen occupation. **Stagecraft** students also develop leadership, social, civic, and career skills through their participation in the state-recognized Career and Technical Student Organization SkillsUSA.

The **Stagecraft** instructional program prepares students for entry-level employment, further training, and/or post-secondary education for these and other occupations: Art Teacher, Drama Teacher, Music Teacher, Postsecondary Teacher, Set and Exhibit Designers, Audio and Video Equipment Technicians
