

Revised July 2022

Professional Standards Learning Code: 3310

Arizona Department of Education (ADE)

This training was developed by the Arizona Department of Education (ADE) Health and Nutrition Services Division (HNS).

Intended Audience

This training is intended for School Food Authorities (SFAs) operating the Community Eligibility Provision (CEP) under the National School Lunch Program (NSLP). All regulations are specific to operating the NSLP under the direction of ADE.

Professional Standards

Information to include when documenting this training for Professional Standards:

Training Title: How to Submit a Claim in CNPWeb for Sites Operating the

Community Eligibility Provision **Key Area:** 3000 –Administration

Learning Codes: 3310

Length: 45 minutes

Objectives

At the end of this training, attendees should be able to:

- understand the reimbursement process for CEP operators outlined in Arizona;
- use CNPWeb to submit claims for reimbursement;
- implement a system of checks and balances to ensure accurate claiming procedures; and
- implement practices to ensure monthly claims are submitted on time.

Definitions

Attendance Factor: A site-level percentage calculated by ADE School Finance each program year. This percentage accounts for the difference between enrollment and attendance. This information is used as a basic edit check for claims.

ADEConnect: An online portal that Local Educational Agencies (LEAs) use to submit reports.

Simplified Daily Edit Check Worksheet: A worksheet that is required to be completed daily to ensure the number of children currently eligible for meals, multiplied by the LEA's attendance factor, does not exceed the meals served for the day.

Definitions

Meal Claiming: Federal reimbursement is provided for each meal that meets program requirements and is served to an eligible student. To obtain this reimbursement, school personnel must accurately count, record, and claim the number of meals served to students.

Program Year: The operating period for Child Nutrition Programs. The Program Year for School Nutrition Programs is July 1–June 30.

- Throughout this guide, there will be comprehension quiz questions to test your knowledge and help you apply what you're learning.
- Be sure to review these quiz questions and answers available within the guide.
- This icon will indicate a comprehension quiz question, and the background of the slides will be blue like you see on this slide.

How to Submit Claims in CNPWeb for Sites Operating CEP

This Step-by-Step Instruction will include:

Introduction to Claiming Reimbursement for Sites Operating CEP	Slides 8 – 18
Log into CNPWeb	Slides 19 – 29
Submitting a Claim	Slides 30 – 58
Revising a Claim	Slides 59 – 68
Questions & Answers	Slides 69 – 77

The following slides will only cover how-to instructions for submitting a CEP claim using CNPWeb.

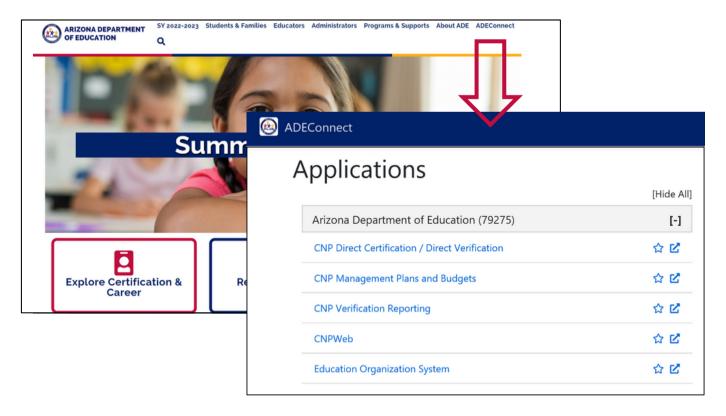

Overview

- Federal reimbursement is provided for each meal/snack that meets program requirements and is served to an eligible student.
- To obtain this reimbursement, school personnel must accurately count, record, and claim the number of meals actually served to students.
- For sites operating CEP, all students receive breakfast and lunch at no charge, and only the total meals served need to be counted and recorded.
- The number of meals/snacks claimed for reimbursement must have adequate documentation on file to support the claim.
- In Arizona, SFAs must submit reimbursement claims online through CNPWeb, an application located in ADEConnect.

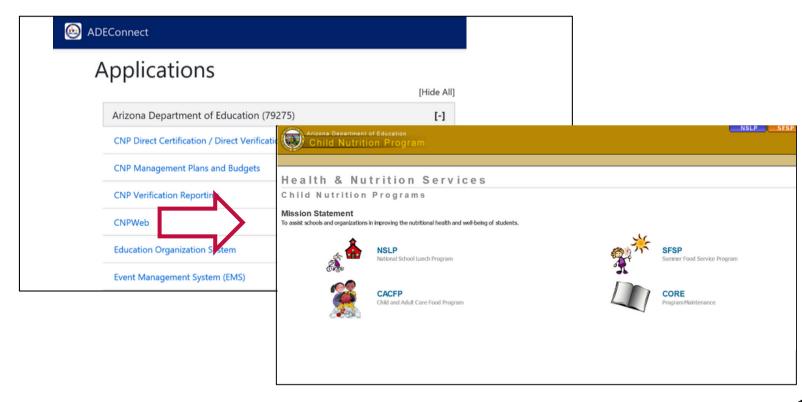

What is ADEConnect?

ADEConnect is an online system that houses access to different program applications for multiple areas within ADE. Throughout the program year, HNS will require SFAs to submit reports using this online portal.

What is CNPWeb?

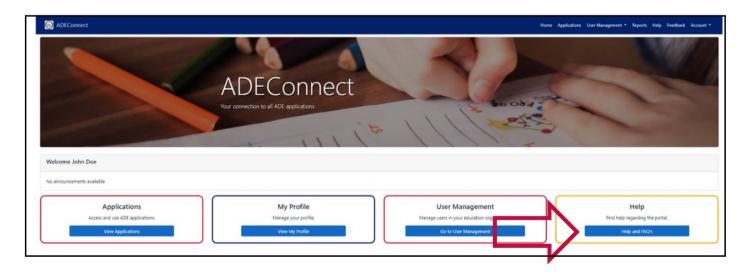

CNPWebis the web application where SFAs operating Child Nutrition Programs submit their annual site and sponsor applications and submit claims for reimbursement.

How do I obtain access to CNPWeb?

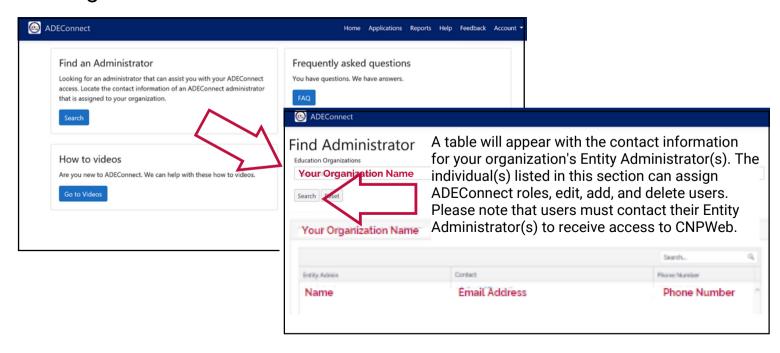

Only those users who have been designated Entity Administrators can grant permissions to applications within ADEConnect.

- Users must contact their LEA's Entity Administratorin order to receive access to CNPWeb.
- To find your organization's Entity Administrator, you can log into ADEConnect from the sign-in screen or through your Student Information System (SIS) and click on "Help and FAQs".

How do I obtain access to CNPWeb?

You may search for your Entity Administrator(s) by typing the name of your organization on the search bar, selecting your organization, and clicking "Search".

*If you do not have an Entity Administrator, complete the Request for <u>ADEConnect Entity</u> <u>Administrator Account</u> form and email it to <u>ContactHNS@azed.gov</u>.

Who should submit the claims?

- It is recommended that more than one individual within the LEA is provided access to CNPWeb to submit the claims in the event one user is unavailable.
- If a staff member leaves the LEA, their ADEConnect login information must be deleted and cannot be shared among other staff (ideally, the LEA would have another individual with access to CNPWeb available to submit the claim).
- CNPWeb will provide an electronic date stamp containing the username, date, and time the action occurred (i.e. submitted claim).

How many people does ADE recommend have access to CNPWeb in ADEConnect?

- A) Just one. The information submitted is confidential and the fewer people who have access, the better.
- B) At least two. This helps ensure there will be someone within the LEA who can submit the claim in the event one person is unavailable.
- C) Everyone involved in the food service operation should have access to CNPWeb in ADEConnect.

How many people does ADE recommend have access to CNPWeb in ADEConnect?

- A) Just one. The information submitted is confidential and the fewer people who have access, the better.
- B) At least two. This helps ensure there will be someone within the LEA who can submit the claim in the event one person is unavailable.
- C) Everyone involved in the food service operation should have access to CNPWeb in ADEConnect.

If only one person has access to CNPWeb in ADEConnect and he/she is out of the office unexpectedly or leaves their position, the LEA will not be able to submit a claim until someone else receives CNPWeb access in ADEConnect. Having at least two people with CNPWeb access will ensure there's a backup plan in the event one person is unable to submit the claim.

When can I submit a claim?

- A monthly claim is generated for each approved site in CNPWeb after the month of operation is complete.
 - For example, on September 1, CNPWeb will generate a claim that the LEA can open to enter in the number of meals served during the month of August.
- Claims can be submitted starting the 1st day of the month following the operating month, and up to 60 days after the last claiming day of the month.
- It is a best practice to have all claims submitted by the 10th of each month.

When can I expect to be reimbursed?

• Claims submitted by the 10th of each month will be paid during the month of submission. For example:

NOVEMBER 1 –10	DECEMBER 1 -10	JANUARY 1 –10	
Submit claim for operating month of October and receive payment in November.	Submit claim for operating month of November and receive payment in December.	Submit claim for operating month of December and receive payment in January.	

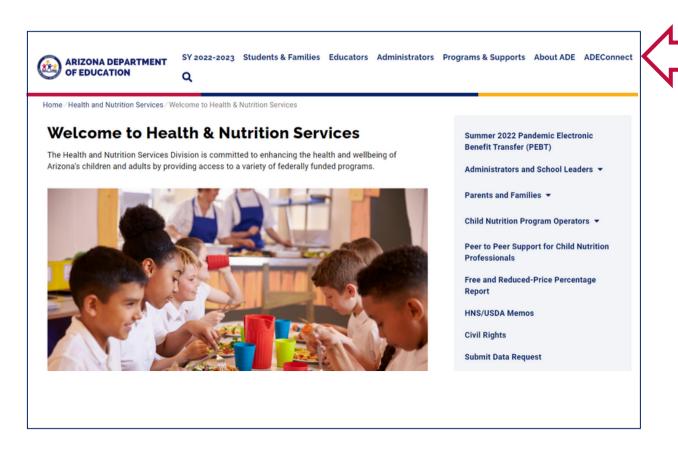

1. Go to the ADE Health and Nutrition Services webpage: http://www.azed.gov/hns/. Please note the preferred browser is Internet Explorer (IE). If your organization has removed IE from your organization's system, then the alternative option would be to use Microsoft Edge (ME) on a Microsoft Device and activate IE Mode*. iPhone Operated System (iOS) devices are not supported.

^{*}The following slides will go over how to activate IE mode if necessary. .

2. Click on ADEConnect found on the top the webpage.

A new webpage will load. It should look like this screen:

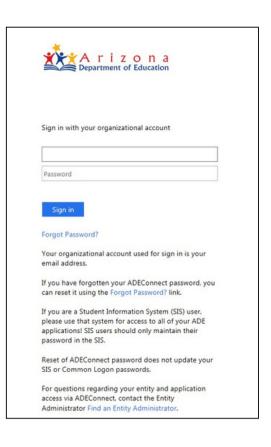

You must have a username and password in order to access ADEConnect*

*Please note, some users can access ADEConnect through their Student Information System (SIS) and are not required to enter a username and password.

3. *Enter your username and password.

^{*}Please note, some users can access ADEConnect through their Student Information System (SIS) and are not required to enter username and password.

4. You have successfully logged into ADEConnect. Click on the **View Applications** or **Applications** at the bottom left or top right corner of the page.

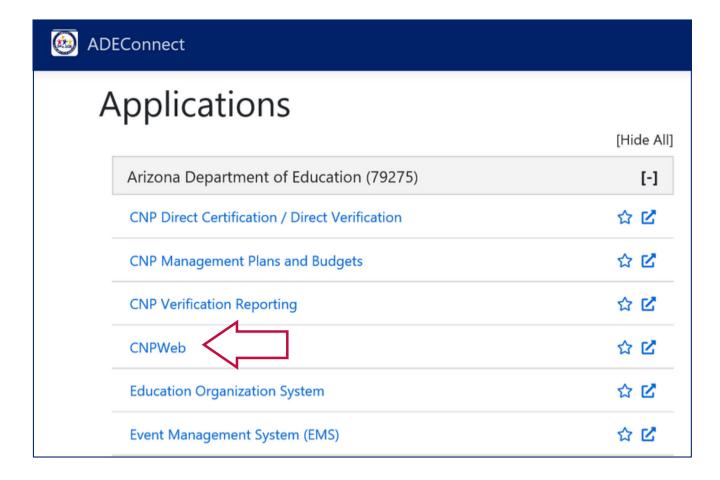

Before clicking on CNPWeb make sure you are using the preferred browser. This will allow you to access CNPWeb in Microsoft Edge through the IE Mode option.

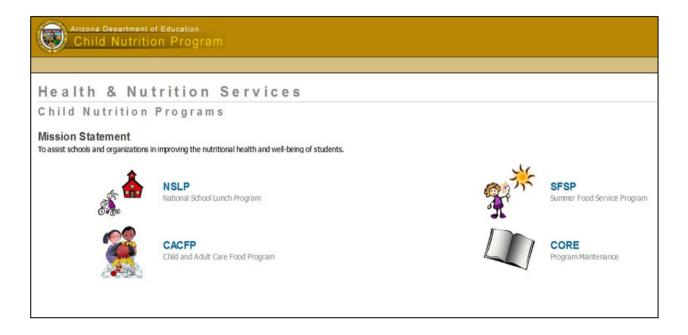

To do this:

- 1. Click on the ellipsis (three dots on the top right corner of the browser).
- 2. Go to 'Settings' and locate 'Default Browser' on the left-hand navigation bar and click.
- 3. Change 'Allow sites to be reloaded in Internet Explorer (IE Mode)' from 'Default' to 'Allow.'
- 4. Exit the 'Settings' tab. You should now be on the application page.
- 5. Click on the ellipses again and click 'Reload in Internet Explorer mode.'
- 6. Click exit or done when the IE Mode pop-up appears.

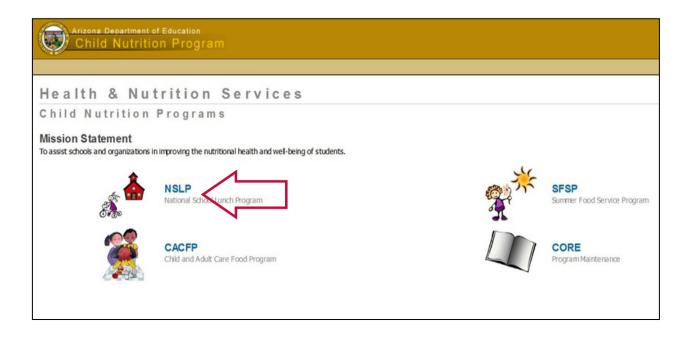

5. Once IE Mode is enabled click on **CNPWeb**. This may require you to sign back into ADEConnect.

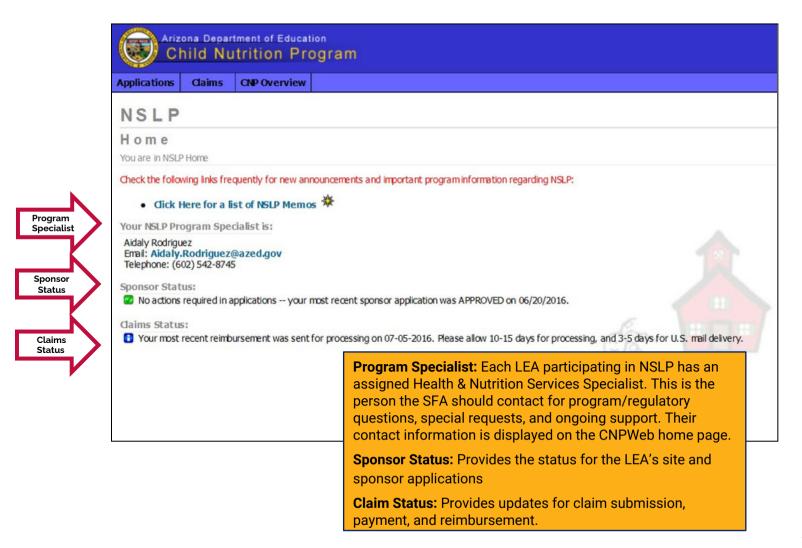

You have successfully logged into CNPWeb. After logging in, your webpage will show all Child Nutrition Programs you are participating in.

6. Click on NSLP.

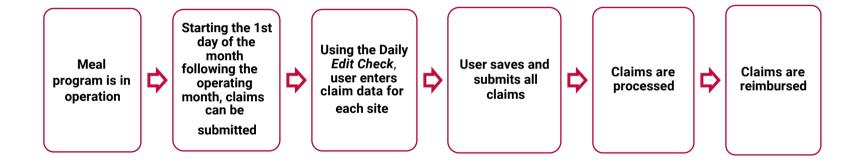

A new webpage will load. It should look like this screen:

Flow of Submitting a Claim

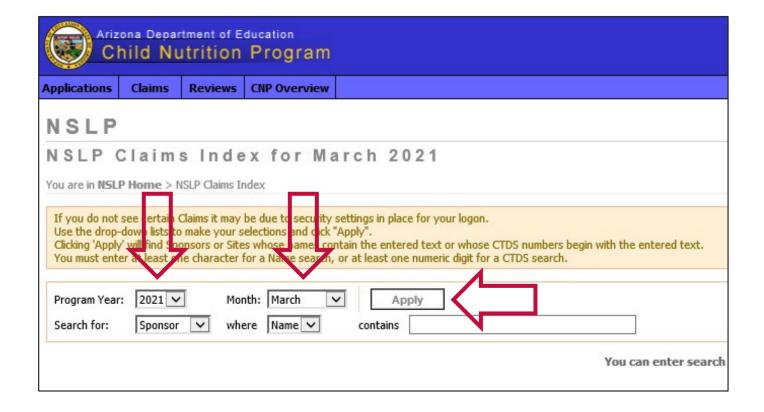

Together we will go through the process of submitting a claim by following the steps listed above. The following slides will discuss the steps in more detail.

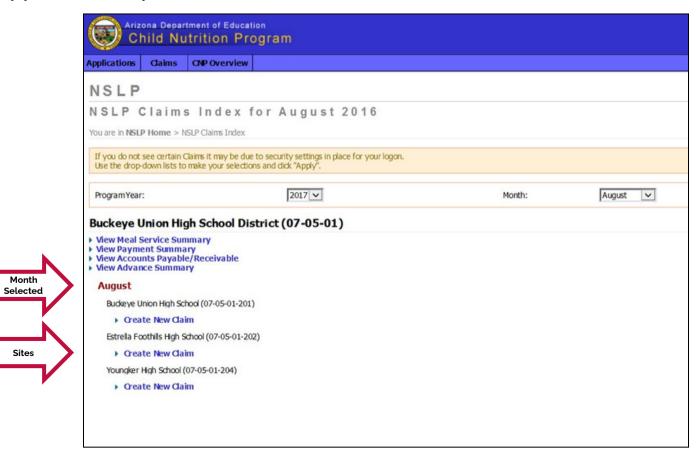

1. Once logged into CNPWeb, click on **Claims** found on the CNPWeb home screen.

2. Use the drop-down menus to select the program year and the month of the claim you are submitting. Then click **Apply**.

Now your screen should show the month selected and all sites approved to operate under the LEA.

Details to Remember When Submitting a Claim

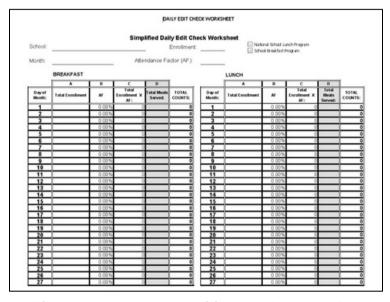

- Claims are site-based.
- Claims are submitted monthly.
- Claim data is obtained directly from the Simplified Daily Edit Checks.
- Claims must be submitted after the entire month of operation has been completed; claims cannot be submitted in advance.
- The SFA can save all claims and continue working on them later.
- Claims, even in Submitted status, can be revised.
- Claims must be in *Submitted* status in order to receive reimbursement, claims left in *Pending* status are not valid and will not be paid if left in this status.

Example:

What is a Simplified Daily Edit Check?

- A tool used to ensure the number of children currently eligible for meals multiplied by the site's attendance factor does not exceed the meals served for the day.
- SFAs are required to complete a Simplified Daily Edit Check at each CEP site.
- Claim data is obtained directly from the Simplified Daily Edit Checks.
- A sample Simplified Daily Edit
 Check Worksheet can be found
 on the NSLP and SBP Program
 Forms and Resources webpage
 under the Operational tab.

*Please contact your Health & Nutrition Services Specialist if you have questions about completing the Simplified Daily Edit Check.

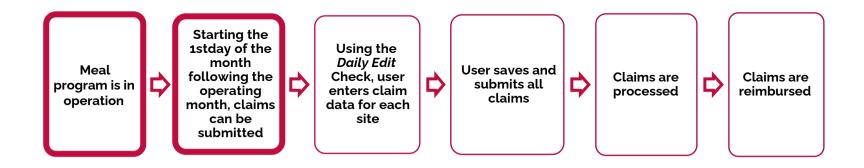

What is an Attendance Factor?

- A site-level percentage is calculated by ADE School Finance each program year. This percentage accounts for the difference between enrollment and attendance. This information is used as a basic edit check for claims.
- This percentage is site-specific and can be found at the bottom of each site claim.
- Some LEAs exceed their attendance factor edit checks due to fluctuation in participation. When the Daily Edit Checks or reimbursement claims are in error due to an attendance factor that is too low, a new attendance factor may be calculated.
 - To calculate a new attendance factor fill out the <u>Attendance</u>
 <u>Factor Calculation Sheet</u> and submit a complete form via
 Help desk. (Note: The form must be signed by an Authorized Signer on the FPPSA)
- Meal counts should never be adjusted to make the claim pass the edit check.

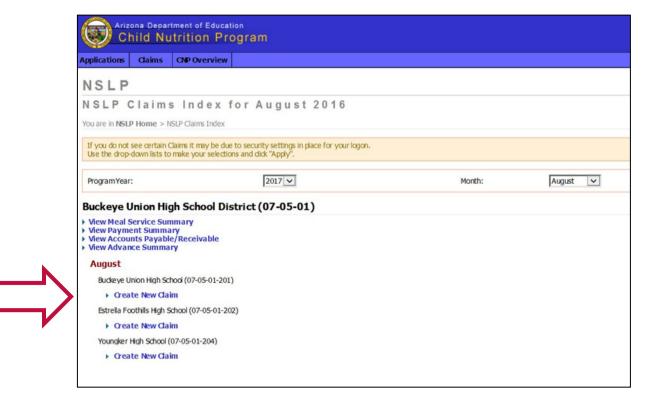

Flow of Submitting a Claim

Meal Claiming: Federal reimbursement is provided for each meal that meets program requirements and is served to an eligible student. To obtain this reimbursement, school personnel must accurately count, record, and claim the number of meals served to students at the point of service.

Site: ADE's term for the individual location where meal service takes place.

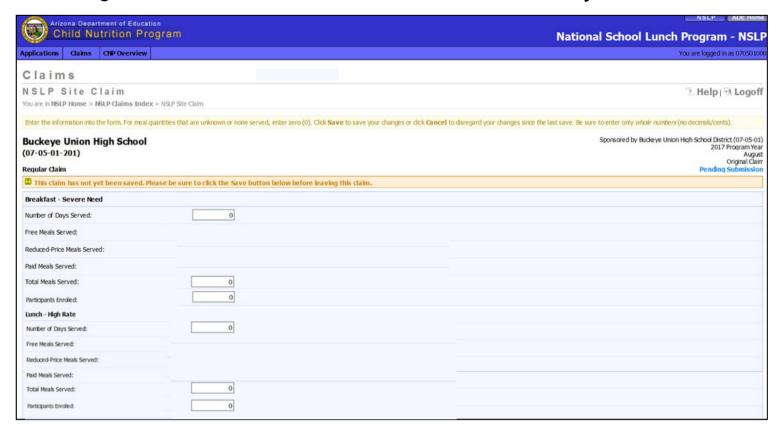

3. Under the claim month you selected, you will see a list of all your sites. Click **Create New Claim** under the site you wish to enter claim data in.

You have successfully opened a site claim.

A new webpage will load. It should look similar to this screen. The following slide will review what fields are available on your claim.

What fields will I see on my claim?

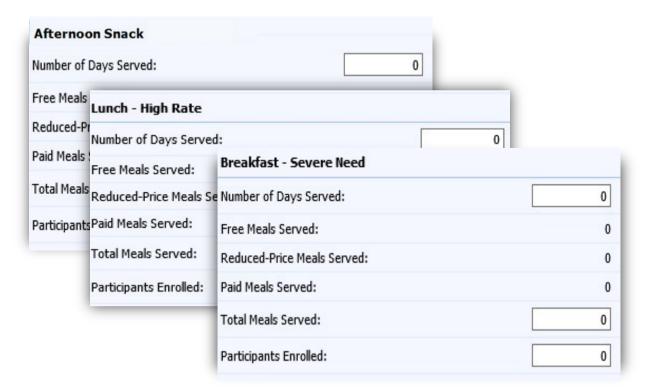

Based on the site's participation in Child Nutrition Programs, the CNPWeb claim will provide fields for the National School Lunch Program (NSLP), School Breakfast Program (SBP), and/or Afterschool Care Snack Program (ASCSP).

 For example, a site that only participates in NSLP and SBP will only see fields related to NSLP and SBP when the SFA opens that site's monthly claim.

4. Enter your meal counts into a site claim.

The following slides will review the fields that need to be completed when submitting a site claim. We will first review the fields in the breakfast section. If you do not operate breakfast, you may continue to slide 43 for guidance on entering lunch data.

Breakfast Fields

- Number of Days Served: The number of days breakfast was served during the month of operation.
- Total Meals Served: The sum of all breakfasts served during the month of operation.
- Participants Enrolled: The highest number of students enrolled during the month of operation.

*Please note that the 'Free Meals Served', 'Reduced-Price Meals Served, and 'Paid Meals Served' in the the screenshot above will automatically show zeros for all CEP operating sites. The user will not be required to complete these fields because the CEP site is only required to count the total meals served.

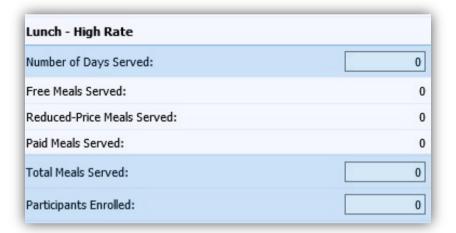

Lunch Fields

- Number of Days Served: The number of days lunch was served during the month of operation.
- Total Meals Served: The sum of all lunches served during the month of operation.
- Participants Enrolled: The highest number of students enrolled during the month of operation.

*Please note that the 'Free Meals Served', 'Reduced-Price Meals Served, and 'Paid Meals Served' in the screenshot above will automatically show zeros for all CEP operating sites. The user will not be required to complete these fields because the CEP site is only required to count the total meals served.

Afternoon Snack Fields

- Number of Days Served: The number of days snacks were served during the month of operation.
- Free Meals Served: The number of free snacks served during the month of operation.
- Participants Enrolled: The highest number of students enrolled during the month of operation.

Attendance Factor

At the bottom of your claim, you should see a percentage under the header *Attendance Factor*.

- An attendance factor is a
 percentage developed each program
 year by ADE School Finance. This
 percentage accounts for the
 difference between enrollment and
 attendance. This information is used
 as a basic edit check for claims.
- This percentage is site-specific and can be found at the bottom of each site claim.
- SFAs are to use this attendance factor when completing the required form, Simplified Daily Edit Check.

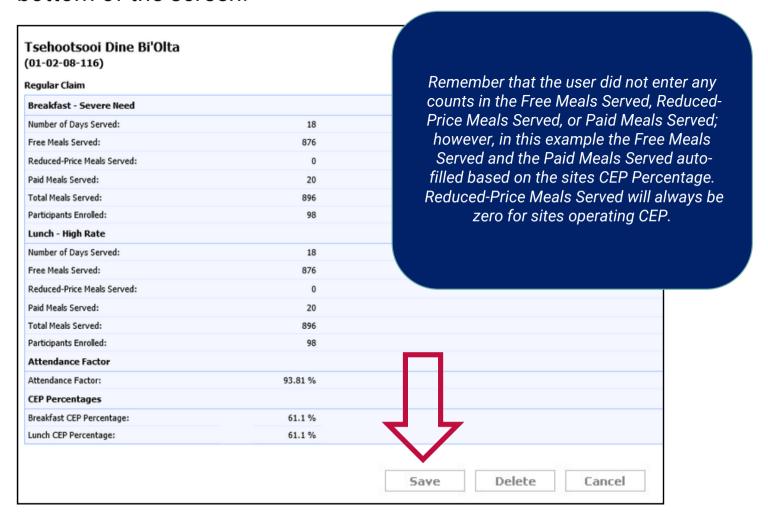

Calculating CEP Claims

Once the user has entered the required claim data shown in the previous slides, CNPWeb will automatically calculate this claim data by using the site's approved Identified Student Claiming Percentage (ISP) found at the bottom of the claim.

CNPWeb will automatically calculate claims for CEP schools based on the total number of meals served and the approved ISP.

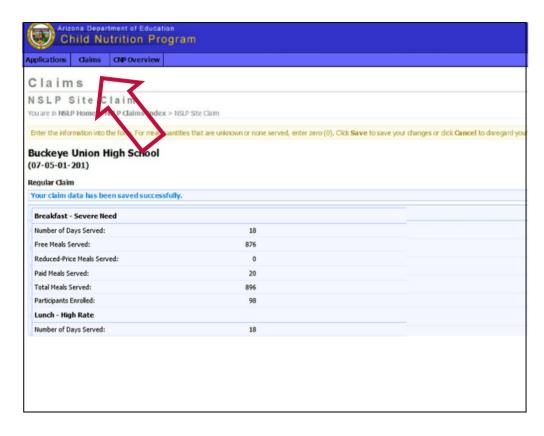

5. Once all fields of the site claim are complete, click **Save** at the bottom of the screen.

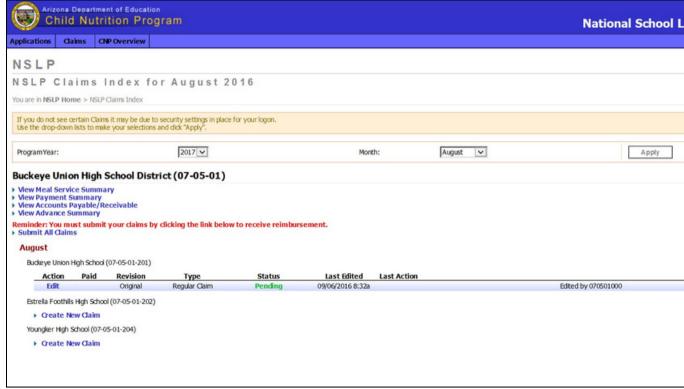

Your screen will refresh and continue to display the claim you submitted.

6. Click **Claims** found at the top of your screen to go back to your claim index page.

7. Click **Create New Claim** to enter in claim data for other sites. Use slides 38-48 for guidance on entering claim data.

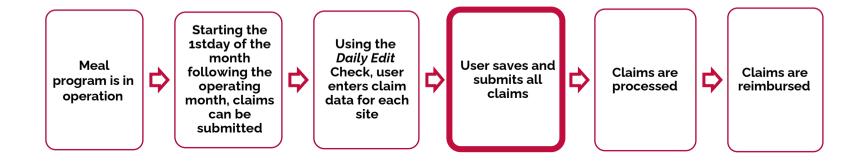

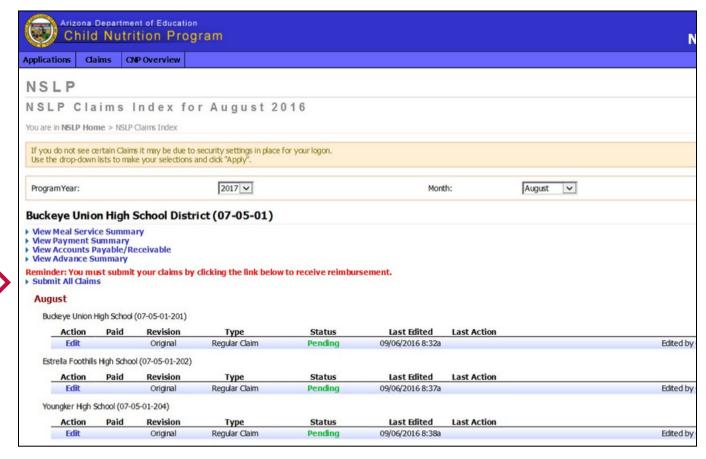

Flow of Submitting a Claim

Pending Status: Claims left in *pending* status are not considered complete and will <u>not</u> be paid if left in this status.

Submitted Status: Claims must be in **submitted** status in order to receive reimbursement.

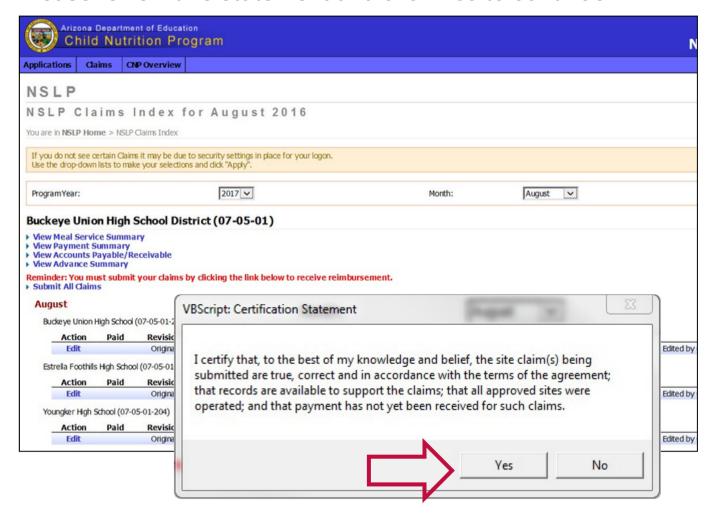

8. Once all claims have been entered and saved, you must click **Submit All Claims** to submit the claims to ADE.

9. After you click **Submit All Claims**, you will see a new window appear. Please review this statement and click **Yes** to continue.

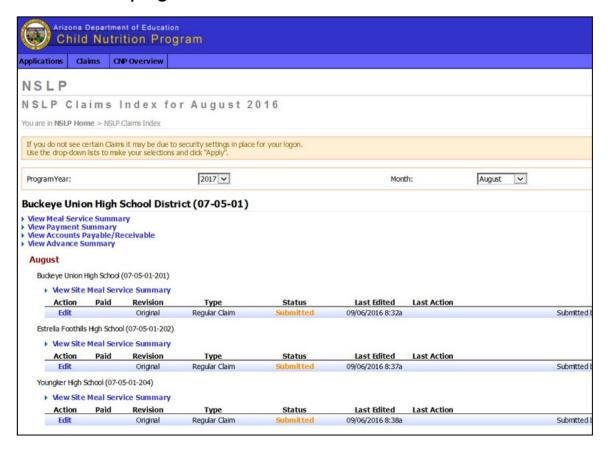

A new webpage will load. It should look like the screen shown below.

10. Click **here** found at the bottom of the webpage to return to the claims index.

A new webpage will load. Your claim status should match below:

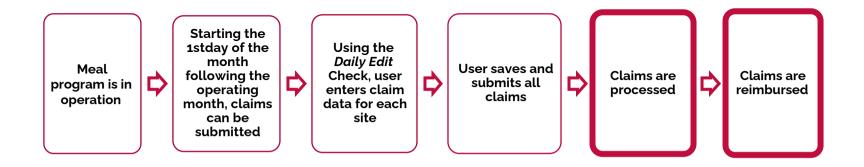

If your claim status does <u>not</u> reflect 'submitted' your claims have not been completed properly. Please contact your Health & Nutrition Services Specialist.

Flow of Submitting a Claim

Processing Claims: Claims are processed in batches, beginning the 1st business day of each month, except for the last week of the month during which no claims will be processed.

Reimbursement of Claims: Please refer to your date of submission and allow up to 10 business days for receipt of payment, or you may call the Grants Management line at (602) 542-3901.

What must you do to submit your claims?

- A) Click Save at the bottom of each claim. This submits each claim to ADE.
- B) Email your specialist when all claims have been filled out. They will click *Submit* from their office.
- C) Click on Submit All Claims above the month and certify the information is accurate.

- B) Email your specialist when all claims have been filled out. They will click *Submit* from their office.
- C) Click on Submit All Claims above the month and certify the information is accurate.

Claims are not submitted until the user has clicked the Submit All Claims button and certified that the information is complete and accurate.

Am I able to revise my claim?

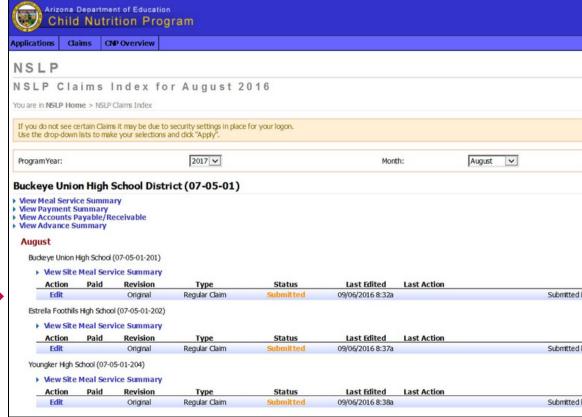

- Claims, even in submitted status, can be revised up until the 10th of the month and all reimbursement will be paid in the same lump sum.
- Revised claims may be submitted after the original claim has been paid and the additional amount will be added to the next claim. The revision must be submitted within 60 days.
 - For example, an SFA submits their site claim that includes meal counts for lunch and breakfast on September 1st; the claim is now in submitted status. On September 15th, the SFA realizes they accidentally put the breakfast meal counts in the lunch fields and needs to revise their claim. The SFA can log into CNPWeb and revise the claim for up to 60 days, even though it is in submitted status. If the claim has already been processed by accounting the user would need to create a new claim revision to the original claim.

Revising a Claim

The following slides will guide you through the process of revising a claim that is in *submitted* status. Please note that if you need to revise a claim that has already been processed, you will need to contact your Health & Nutrition Services Specialist for guidance.

Attendees are expected to already understand how to navigate through CNPWeb to access the Claims Index Page.

1. Find the claim you wish to revise and click Edit.

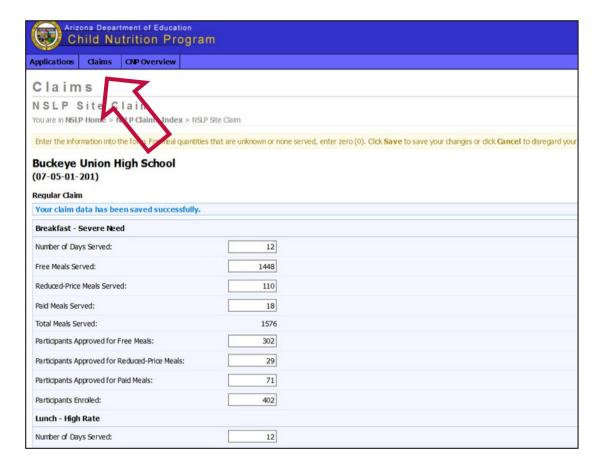

2. The claim you originally submitted will load. Make the appropriate changes and click **Save** found at the bottom of the webpage.

Can I combine two months in one claim?

- At the beginning of the program year, the first two claims may be combined if no more than 10 days of program operation occurred in the first month.
- At the end of the program year, May and June claims may be combined if no more than 10 days of program operation occurred in June.
- June and July claims <u>cannot</u> be combined due to the reimbursement rate change in July each program year.
- The end of the federal fiscal year claim (September) <u>cannot</u> be combined with the beginning of the next federal fiscal year claim (October).

It is December 10th and I am submitting the November claim but noticed that I forgot to submit my October claim. When is it too late to submit the October claim?

- Claims can be submitted within 60 days after the end of the month of operation.
- For example, if the month of operation is October, the last day to submit the claim is December 30 (60 days from October 31).
- The <u>Claiming Calendar</u> can be found in the NSLP home webpage in the 'Program Forms and Resources' section under the 'Calendars and Checklists' tab.

What if I need to submit a claim, but it is past the 60-day deadline?

- First-time claims or upward revisions of claims past the 60-day deadline can only be submitted using a One-Time Exception.
- A One-Time Exception can only be used once every 36 months.
- To check your eligibility, submit a ticket to the <u>ADE Help Desk</u> and ADE Grants Management will assist you.
- If you are eligible to use the One-Time Exception, complete the Request for One-Time Exception Form found on the <u>NSLP and</u> <u>SBP Program Forms and Resources webpage</u> under the Financial accordion.

What is a One-Time Exception and how often can it be used?

- A) The One-Time Exception allows you to make one revision to your claim, and it can be used every month.
- B) The One-Time Exception allows you to submit or revise a claim after the 60-day deadline has passed. It can be used once every 36 months.
- C) The One-Time Exception allows you to submit one inaccurate claim. It can be used once per year.

- C) The One-Time Exception allows you to submit one inaccurate claim. It can be used once per year.

All claims may be submitted and revised within 60 days of the end of the month of operation. If a claim needs to be revised or if a claim needs to be submitted after this 60-day deadline, the One-Time Exception can be used.

How can I sign up for direct deposit?

- Direct deposit is the recommended form of reimbursement. The State of Arizona Direct Deposit Form can be found on the <u>NSLP and SBP Program</u> <u>Forms and Resources webpage</u> under the Financial tab.
 - New entities must submit W9 forms via <u>ADE Help Desk</u> for processing.
 - Entities setting up direct deposits (ACH) must contact the Accounts Payable Inbox at accountspay@azed.gov. ACH forms contain sensitive banking information and should not be handled through email or other electronic means.
- Fill out the form as instructed and mail it to the address at the top of the form. The Arizona General Accounting Office (GAO) is responsible for verifying and entering the financial information submitted by the LEA. ADE does not have access to the form, or the financial information contained within it. Any questions regarding this should be directed to the Arizona GAO at (602) 542-5601.
- Once the information is verified and the LEA is authorized for direct deposit, ADE will change the reimbursement type to direct deposit. After the first deposit, the LEA will receive a request to verify the deposit from the GAO. If not verified, the reimbursement type will be changed back to a regular check. If the request is returned as verified, reimbursements will then continue to be paid as a direct deposit until the LEA requests, in writing, that the GAO discontinues.

What are the Reimbursement Rates?

ADE posts reimbursement rates for NSLP and SBP as soon as possible after July 1 on the <u>NSLP Home page</u> under the Reimbursement Rates tab as soon as possible after July 1. These reimbursement rates are in effect from July 1 through June 30.

There are two different types of reimbursement rates for NSLP and SBP based on lunch claims submitted two years prior.

NSLP: reimbursement at the Regular or High Rate	SBP: reimbursed at the Regular or Severe Need Rate	CEP: reimbursed based on the approved ISP in CNPWeb
To be eligible for the high rate, 60 percent or more of an LEA's total lunches served in the second preceding year (two years earlier) must have been served free or at a reduced-price.	To be eligible for the severe need rate, 40 percent or more of a site's total lunches served in the second preceding school year (two years earlier) must have been served free or at a reduced-price.	CNPWeb will automatically calculate claims for CEP schools based on the total meals served and the schools ISP used for claiming.

Menus certified by ADE will receive an additional eight cents of reimbursement in addition to the standard reimbursement rates for free, reduced-price, and paid lunch meals only. Additional reimbursement is not available for breakfast meals.

What should I do if I am receiving an "out of range" error?

- When a saved claim shows an "out of range" error, double-check the claim entries to verify all information is correct.
- Some LEAs exceed their attendance factor edit checks due to fluctuation in participation.
- When the daily edit checks or reimbursement claims are in error due to an attendance factor that is too low, a new attendance factor may be calculated.
- Meal counts should <u>never</u> be adjusted to make the claim pass the edit check.
 - If the established attendance factor is too low, fill out the Attendance Factor Calculation Sheet and submit the completed form to http://helpdeskexternal.azed.gov.
 - Public schools use an attendance factor that is based on information from the 100th Day Report.
 - State schools, correctional institutions, and Residential Child Care Institutions use a 99% attendance factor.
