You are invited!

The Arizona Department of Education Early Childhood Education (ADE-ECE) Unit invites you to join us for an informational meeting in your local area. The focus of the meeting will be the Preschool Development Grant Birth through Five (PDG B-5). This PDG B-5 grant opportunity gives Arizona an opportunity to accelerate its collaborative work on two key goals of the Arizona Education Progress Meter: increasing the percentage of Arizona three and four-year old children enrolled in high-quality early learning settings and the percentage of Arizona 3rd grade students who score Proficient or Highly Proficient on the AzMerit 3rd grade English Language Arts assessment.

In this 1-hour meeting, ADE-ECE will provide information on the following:

- Arizona's application for the Preschool Development Grant Birth through Five
- The timeline for the activities of the PDG B-5
- The vision for the structure of the local planning committee

After the presentation by an ADE-ECE representative, there will be an opportunity for you to ask questions and to join your local planning committee.
