Heartprint: Leading and Living a Fully Engaged, High Energy, Well-Balanced Professional life!

Within the culture of a PLC school, the relational expectations, give and take, and sometimes-chaotic noise of daily interactions can be overwhelming and exhausting. By understanding one's daily heartprint, educators are better able to inspire, engage with, and influence students and colleagues season after season.

Dr. Timothy D. Kanold draws from the wisdom of his book *HEART! Fully Forming Your Professional Life as a Teacher and Leader* (2018 IPPY Gold Medal winner) to provide research, insights, and tools from thought leaders inside and outside education. He examines ways for all educators to lead high-energy, happy, and well-balanced PLC professional lives each and every day.

Participants can expect to:

- Examine the H and the E elements of their HEARTs: their relational Happiness and how to become fully Engaged in their work.
- Discover ways to improve their relational intelligence and impact (heartprint) on others.
- Learn ways to reflect upon, pursue, and sustain a well-balanced, high-energy personal and professional life that can positively affect students and colleagues.
