

Arizona Charter Schools Program  
Arizona Department of Education

Mission: AZ Charter School Program Ensures High-Quality Educational Choices by  
Selecting, Monitoring, and Assisting Transformative Leaders

GOOD NEWS FOR EVERYONE!

AZCSP is inviting you to participate in the kick off its new **Community of Practice** forum - Wednesday, June 5, 2019 @ 5-8 pm, Ventana Canyon Resort, Tucson, AZ in conjunction with ADE's [Leading Change Conference](#).

*We hear you!*

You've told us you would like a forum wherein you and your team share and learn charter schools' best practice beyond AZCSP Instructional Rounds/Formative Assessment practices. You said you want to know what other schools are doing successfully to increase attendance, recruit and retain quality staff, improve parent and community support, plan facility and budgeting strategically, etc. These topics will be on the agenda for quarterly Community of Practice forums starting with the first forum this June at Ventana Canyon Resort.

Here is your opportunity to learn, share, and contribute. The cost is \$70 (dinner is included) which can be paid from AZCSP or Title I or II funds. Please register at [AZCSP Community of Practice](#) By **Monday, May 24, 2019**.
