# What's New for the 2019 PSO Data Collection Season?

- Why the change?
- The changes to one of PSO's Categories of Engagement
- New PSO Questions (Reviewed using Hard Copy)

# Why the Updates???

When reporting in the FFY 2019 SPP/APR, due February 2021, all States must report in alignment with the term “competitive integrated employment” and its definition, in section 7(5) of the Rehabilitation Act, as amended by WIOA, and 34 CFR §361.5(c)(9).

\*Until official announcement on March 1, 2019 from OSEP the expectation was that all States would align with the term CIE when reporting in the FFY 2018 SPP/APR, due February 2020.

# WIOA definitions:

**Competitive employment** means work— (i) In the competitive labor market that is performed on a full-time or part-time basis in an integrated setting; and (ii) For which an individual is compensated at or above the minimum wage, but not less than **the customary wage and level of benefits paid by the employer** for the same or similar work performed by individuals who are not disabled. (Authority: Sections 7(11) and 12(c) of the Act; 29 U.S.C. 705(11) and 709(c))

**Integrated setting**,— (ii) With respect to an employment outcome, means a setting typically found in the community in which applicants or eligible **individuals interact with non-disabled individuals**, other than non-disabled individuals who are providing services to those applicants or eligible individuals, to the same extent that non-disabled individuals in comparable positions interact with other persons. (Authority: Section 12(c) of the Act; 29 U.S.C. 709(c))

# Aligning CIE with W.I.O.A. Definition

Competitive Employment must now satisfy these additional requirements:

- Competitive earnings (customary wage)
- Level of interaction within an integrated setting
- Benefits & opportunities for advancement

# Competitive Employment

No changes to this previous criteria:

- An average 20 hours per week
- At least 90 days consecutive or cumulative
- For pay at or above minimum wage
- Includes military
- Setting with others who are nondisabled

What's new:

- Level of interaction within integrated setting  
[34 CFR §361.5 \(b\)\(33\)\(ii\)](#)
- Customary wages AND  
benefits/opportunities for advancement  
[34 CFR §361.5\(b\)\(11\)](#)
