

STEM/CTE High Quality Teacher Professional Development Pilot Program

NOW ACCEPTING APPLICATIONS!

Apply now to receive up to \$2,000 in professional development scholarship money over three years. Professional development must support a certificated teacher in gaining additional credentials and/or certifications in math, science, technology, engineering, or career and technical education.

Scholarship applicants must:

- 1) Be an Arizona certified teacher with a current contract at an Arizona public school;
- 2) Pursue professional development at a regionally or nationally accredited public or private postsecondary educational institution(s) **in Arizona**;
- 3) Add additional credentials and/or certifications in math, science, technology, engineering, or career and technical education; and
- 4) Agree to teach in a public school in Arizona for three years after completing coursework or program.
