Arizona High Quality Teacher Professional Development Pilot Program Application

Arizona certified teachers are eligible to apply for a scholarship of $2,000 to apply toward the cost of professional development at a regionally or nationally accredited public or private postsecondary educational institution in Arizona. **The purpose of these scholarships is to support already certificated Arizona teachers in gaining additional credentials and/or certification in the areas of science, technology, engineering, math, or career and technical education** to help with teacher shortages in these content areas. The scholarship is limited to 194 applicants, and will be awarded on a competitive basis. Scholarship recipients must agree to teach in an Arizona public school for a minimum of three years after completing the coursework or program.

To apply, complete the application and email it to: TPDS@azed.gov.
Beginning July 8, 2019, applications will be reviewed and awardees will be notified via email with directions on how to initiate the process of receiving the scholarship.
