

SPECIAL EDUCATION SERVICES

LEAST RESTRICTIVE ENVIRONMENT (LRE) REPORTING

For Students with Disabilities in grades K-12

What percentage of time is the student in the regular classroom?

Considerations

- Designated classroom or other location within the school building or campus
- SPED resource room or special classroom
- Percentage of disabled vs. non-disabled students within the classroom (50% or more non-disabled students)

LRE Code & Description¹

Inside the regular class 80% or more of the day.

- Children who receive special education and related services outside the regular class less than 21% of the school day.

Inside the regular class not more than 79% and not less than 40% of the day.

- Children who receive special education and related services outside the regular class for at least 21%, but not more than 60% of the school day

Inside the regular class less than 40% of the day

- Children who receive special education and related services outside the regular classroom for more than 60% of the school day
