ONE TRANSITION AT A TIME

2019 SECONDARY TRANSITION REGIONAL TRAINING

The Arizona Department of Education/Exceptional Student Services Secondary Transition Unit is excited to bring back secondary transition regional training to Arizona for the 2019-2020 school year.

Day 1

"Using Assessments to Build a Foundation"

- ♦ A close look at the age-appropriate transition assessment process as the foundation of best practices in transition planning.
- ♦ Strategies and resources will be provided to help the IEP team make informed decisions for realistic and attainable postsecondary goals.
- ♦ *Day 1 will include a very brief review of compliance requirements. For compliance training, please contact your [ESS Program Support & Monitoring Specialist](#).*

Day 2

"Putting It All Together"

- ♦ Workshop style that will cover all five components of a successful (and compliant) transition plan
- ♦ Participants will learn best practice strategies for development and documentation of the transition plan and how to implement the strategies and resources learned on Day 1.
- ♦ The day will end with an activity that will bring the whole process together.
