

Climbing the Summit: Conquering the CNA & RCA

Presenters: Stacey McAndrew and Leanne Bowley, ADE

Planning for your ESEA Consolidated Application can be likened to climbing Mt. Everest! Do you ask yourself questions like: “Is my CNA being conducted correctly?” “Does our analysis really identify the root cause of our needs?” or “How can I get this done without losing valuable instruction time?” Like climbing Everest, you can conquer the planning phases! Join this session for hands-on practice using strategies and tools that will help you climb over the hurdles and reach the summit.

Intended Audience: School Administrators, Federal Grants Administrators, Title I Coordinators, Other District Level Employees
