

## **Crafting a Culture of Whole Child: One District's Story**

**Presenters:** Stephanie Miller, Congress Elementary School District

Learn and brainstorm how to "Craft a Whole Child School Culture". Participants will be given specific examples of various ways Congress Elementary School implemented Whole Child techniques and supported students with Social Emotional Learning. The process of updating the dual-sided report card, reflecting SEL standards, will also be presented. Come prepared to brainstorm and share ideas on how to increase Whole Child Education at your school site.

**Intended Audience:** Teachers, School Administrators, Paraprofessionals, Counselors, SEL Coordinators
