

ESSA Updates, Policy Shifts and New Details; TIV

Presenter: Aaron Kramer Brosnan, Brustein & Manasevit

This session will break down the latest in federal guidance and updates on the continued implementation of the Every Student Succeeds Act (ESSA). Attendees will hear about the contents of new guidance documents, major changes, adjustments in focus and framing, what to expect in terms of timing and enforcement, and what it means that ED is issuing non-binding guidance rather than formal regulations. The session will also cover several issues pertaining to TIV, Part A of ESSA, including the limitations on funding used for technology as well as the use of funds for weapons purchases and training.

Intended Audience: Federal Programs Staff, LEA Administrators
