

Leveraging Title I and II-A Funds to Support Principal Supervisors in Their Work Supporting Principals

Presenters: Steve Larson, ADE and Matt Clifford, AIR

In this session, participants will learn about the strong suggestion that ESSA provides for LEAs to utilize federal funds to support principal supervisors in their work in developing the skillset of principals. Presenters will explore how LEA's can utilize these funds to increase the skillset of principal supervisors as the instructional leaders of principals.

Intended Audience: Federal Grants Administrators, LEA Administrators, Other District Level Employees, Governing Board Members
