

Making it Happen Through Focus and Choice

Presenters: Robyann Musil, Susan Gibson and Sarah Galetti, Littleton Elementary School District

Littleton ESD offers schools with specific foci (STEM, Leadership, Service, Fine Arts). As a district of choice, families are able to select a school aligned to their child's interest. Engaging in a variety of learning activities, students have the opportunity to apply their learning to real-world situations and potential career paths. Using choice and focus schools helps leaders to identify goals, strategies, and action steps in their Integrated Action Plans to assist in continuous improvement.

Intended Audience: Teachers, School Administrators, Federal Grants Administrators, Other District Level Employees
