

Return From Suspension

Presenters: Kimberly Reed, Chandler Unified School District and Deanna Driver, Glendale Elementary School District

This course is designed to introduce re-engagement plans for students returning to school from a suspension. Re-engagement plans are essential to make learning from a particular experience less haphazard and to assist the student in smoothly returning to the school setting by reviewing the problem behavior, re-teaching expectations, and identifying necessary supports.

Intended Audience: Teachers, School Administrators, Paraprofessionals, Behavior Specialists, Counselors
