

SNAC + ESSA = WSSC: How federal nutrition programs support the whole child

Presenters: Stephanie Martinez, Cara Alexander and Carolyn McMahon, AZ
Department of Health Services

This engaging session will highlight the State Nutrition Action Committee (SNAC) and its work to align federal nutrition programs in Arizona, including school meals and nutrition assistance programs and education (SNAP/SNAP-Ed, WIC), with involvement from community partners such as Dairy Council of Arizona and Arizona Food Bank Network. Attendees will identify opportunities within these programs that can support schools in relation to their CNA/IAP.

Intended Audience: Teachers, School Administrators, Federal Grants Administrators, Business Office / Finance, Other District Level Employees, Governing Board Members
