

## **Streamlining of the Funding Application Process: A Joint Approach**

**Presenters:** Sue Edman, Katarina Pena, Nichole von Prisk and Dustin Loehr, ADE

Writing a 'streamlined' grant application can be a daunting task, especially when you consider the multitude of state and federal requirements grant officers are called to navigate. Join ADE program and GME staff as they walk you through the entire process- from CNA, to budget narratives! This session is designed to help you tell your LEA story by connecting the 'dots' across all your federal programs.

**Intended Audience:** School Administrators, Federal Grants Administrators, Business Office/Finance, Other District Level Employees
