

Supporting and Sustaining a Preschool in a School District

Presenter: Elizabeth Hamilton, ADE

The early childhood division will walk participants through several funding sources available to programs that would like to have a preschool program onsite. Participants will go home with a booklet of resources and guidelines for each funding sources as well as contact information and maybe even first steps to getting a preschool started right on your own site!

Intended Audience: School Administrators, Federal Grants Administrators, Business Office/Finance Staff, Governing Board Members
