

Teams: Ensuring Student Success Together

Presenters: Dr. Kory Brenner, 2018 Exemplary Award Winner, Chandler Unified School District

Leading teams as they navigate state standards and data while working collaboratively as a team and throughout the school setting is a daunting task. This presentation will provide actionable steps and information for team leaders, site leaders and district support as they strive to support learning for all students through high-yield practices and team development.

Intended Audience: Teachers, School Administrators, Other District Level Employees, Education Leaders
