

Transition Planning

Presenter: James Scott, ADE

A requirement of ESSA is to have transition plans for appropriate grade levels from preschool to graduating seniors. This interactive session will define the legal requirements and the purpose of transition planning. Participants will look at how to develop an intentional team, create an aligned, effective and flexible plan. We will also walk through strategies for plan implementation and monitoring. Age band teams will work together to develop a mock transition plan they can utilize as a model.

Intended Audience: Teachers, School Administrators, Federal Grants Administrators, Other District Level Employees
