

Arizona Equitable Services Complaint Process

The timeframe that an SEA has for responding to a complaint from parents, teachers, or other individuals concerning violations of ESEA section 8501 regarding the participation by private school children and teachers is 45 days. In addition, the Secretary must investigate and resolve an appeal of an SEA's resolution of a complaint within 90 days. (*ESEA section 8503*)

Consultation

The topics subject to consultation have been expanded to include the following:

- How the proportion of funds allocated for equitable services is determined.
- Whether the LEA will provide services directly or through a separate government agency, consortium, entity, or third-party contractor.
- Whether to provide equitable services to eligible private school children by pooling funds or on a school-by-school basis.
- When, including the approximate time of day, services will be provided.
- Whether to consolidate and use funds available for Title I equitable services in coordination with eligible funds available for equitable services under programs covered under section 8501(b) to provide services to eligible private school children in participating programs.
- The written affirmation that consultation has occurred must provide the option for private school officials to indicate such officials' belief that timely and meaningful consultation has not occurred or that the program design is not equitable with respect to eligible private schoolchildren.
