This is the 5th annual Early Childhood Special Education Summit!

This year our theme is “Bridges to Best Practice” intended to support a foundation of compliant practices and their extension to best practices by learning how colleagues have approached and implemented them at their own sites. Join us to have access to national, state and local practitioners of early childhood special education in your journey across the bridge to best practice.

Anticipated Topics:

Assessment
Evaluation
Transition
Data-Based Decision Making
Inclusion and LRE
Behavior
Specially Designed Instruction

Use one day to attend a STAR Autism Training!

Early Intervention
Leadership
Evidence-Based Practices
Itinerant Services
Deaf Mentor Program
Child Find
Family Engagement
