

Program Year 2017-2018

Pinal County

Arizona Adult Education

Arizona Adult Education Services provides comprehensive literacy services to learners 16 years of age and older who are not enrolled in a K-12 school. It offers access to quality educational opportunities to support employment, job training and higher education aspirations. By assisting adult learners to acquire the knowledge and skills necessary for effective participation in society, we help citizens realize their potential, businesses benefit, and communities thrive.

In Arizona, providers must meet rigorous standards and produce positive student outcomes to be funded. Central Arizona College Adult Basic Education Program, Arizona Department of Corrections, Success Academy at the Florence Prison Complex, and the EVIT Industrial Trades Academy are funded and authorized to provide adult education throughout Pinal County. The Arizona Department of Education – Adult Education Services allocated \$843,517 to Pinal County for adult education services for the Program Year 2017-2018.

“ARIZONA ADULT EDUCATION STRIVES TO PROVIDE HIGH QUALITY EDUCATIONAL OPPORTUNITIES TO PREPARE AND EMPOWER ADULT LEARNERS FOR SUCCESS IN POSTSECONDARY EDUCATION AND TRAINING, AND ULTIMATELY EMPLOYMENT IN FAMILY-SUSTAINING CAREERS.”

Integrated Education and Training ★

The 2014 Workforce Innovation and Opportunity Act include joint accountability performance requirements to assess the effectiveness of achieving positive outcomes for individuals served by the workforce development system's core programs. These programs include Adult programs, Dislocated Worker, Youth programs, Adult Education and Family Literacy Act program, Employment Service program, and Vocational Rehabilitation program. Integrated Education and Training (IET) programs support these outcomes due to its nature of concurrent and contextualized workforce preparation activities and specific occupational workforce training.

Pinal County had Phlebotomy Certificate (PC), Welding Certificate (WC), Culinary Arts Certificate (CAC), Nursing Assistant Certificate (CNA), and Behavioral Technical Certificate (BHT) programs with 19 total students attending these programs.
