# Transition Tuesdays

If accommodations are needed, please register no later than 3 business days before the webinar.

**Title: Transition 101 Series: Sneak Peek**

**Date:** [Register for 8/24/21](#)

**Time:** 2:30–3:30 p.m.

**Description:** Are you new to transition? Do you need a refresher on the components of a transition plan? Join us for a brief overview and conversation that focuses on the steps within the transition planning process. This webinar will be a condensed version of the Transition 101 Series and will provide a quick overview of best practice strategies for gathering, reviewing, and using the assessment information to develop appropriate measurable postsecondary goals that will lead to successful engagement. This session will also offer insight on how to provide students with opportunities and experiences to further develop their knowledge, skills, and abilities that will reasonably enable them to make progress toward accomplishing their measurable postsecondary goals. Come learn about the process that has shown real results in any type of school setting and that can be applied to all disability categories.

**Title: Supporting Students with Significant Disabilities through Project SEARCH**

**Date:** [Register for 9/21/21](#)

**Time:** 2:30–3:30 p.m.

**Description:** Do you support students with complex support needs with secondary transition planning? A great resource to be familiar with is Project SEARCH. Please join us for a conversation on how Project SEARCH supports these young adults including those with significant disabilities for success in competitive integrated employment. The conversation will also briefly explore how their services fit within the transition planning process that PEAs are expected to execute per IDEA's Indicator 13.

**Title: Voices from the Field: Supporting Students with Pre-Employment Transition Services**

**Date:** [Register for 11/2/21](#)

**Time:** 2:30–3:30 p.m.

**Description:** Heard of Pre-ETS, but not sure how they can benefit your students? The Rehabilitation Services Administration Vocational Rehabilitation (VR) program offers Pre-Employment Transition Services (Pre-ETS) to students with disabilities statewide. Pre-ETS are specific career exploration and job readiness services that help students with disabilities prepare for future employment. Pre-ETS providers will share their real-life experiences with schools and students. Please join us for an overview of Pre-ETS and its connection to the transition planning process.

**In the Know with PSO: 2021 Post School Outcomes Survey Results**

**Date:** [Register for 12/7/21](#)

**Time:** 2:30–3:30 p.m.

**Description:** So, you've finished the 2021 Post School Outcomes (PSO) survey requirements. Now what? PSO is a year-round process of gathering and analyzing data about the post-school engagement of students with disabilities in postsecondary education/training or employment. In this session, we will review the results of Arizona's most recent PSO Survey and share success stories and best practices from schools statewide. Be prepared to learn new strategies for analyzing your school's PSO data and planning for next year's survey.

**Title: Office Hours**

**Date:** [Register for 9/7/21](#), [Register for 10/5/21](#), [Register for 11/16/21](#)

**Time:** 2:30–3:30 p.m.

**Description:** Do you have questions about Secondary Transition? Join us for one of our virtual office hours. These one-hour informal meetings are opportunities to discuss transition planning topics and brainstorm strategies with Secondary Transition Specialists and other AZ educators. Bring your secondary transition questions for the specialists to address on the spot.
