

# New CTE Teacher PD for Certification Credit

The following courses are available to new CTE teachers to help satisfy certification deficiencies. Professional organizations, post-secondary institutions, CTEDS, and districts are invited to submit applications to offer semester-hour accredited Professional Development (PD). 15 clock hours is equivalent to 1 semester hour. This credit may be obtained through Arizona State Board-approved CTE PD to clear certificate deficiencies for application option A and C teachers as well as satisfy application requirements for option B teachers.

## CTE Approved PD Areas:

**Note: areas #1, 2, 3 are approved for option B CTE teacher certification applicants**

- 1- Principles/philosophy of career and technical education\*
- 2- Developmentally (grade) appropriate instructional delivery, facilitation, and methodologies\*
- 3- Instructional technology\*
- 4- Instructional design, and lesson planning to include modifications and accommodation, assessing, monitoring, and reporting progress
- 5- The learning environment to include classroom management
- 6- Teaching students with exceptionalities
- 7- Professional responsibility and ethical conduct
