

STUDENT TECHNICAL SKILLS ASSESSMENT (TSA) GUIDE

Sample Question – there are three ways to answer the assessment questions.

Question 11 of 100

What are the three colors of the American flag?

- ☐ Red, white, and green
- ☐ Red, white, and blue
- ☐ Yellow, white, and black
- ☐ Yellow, white, and purple
- ☒ No Answer (Skip This Question)

☐ Mark for review.

1. **Select the Correct answer** from the four options.
2. **Skip This Question** if you do not know the answer. You will be able to answer all Skipped questions at the end of the test.
3. **Answer a question and Mark for Review** if you are not sure of your answer. You will be able to review all Marked for Review questions at the end of the test.

For all options, the final step to move forward is to select **Save Answer**.

The TSA is a randomized test. All questions and answers are ordered and arranged differently in every assessment.

NOTE: It is important to answer ALL questions. Any question unanswered is a WRONG answer and counts against your final score. **Remember:** Select **Skip This Question** or **Mark for Review** if you are not sure of your answers. You can review your answers at the end of the assessment before submitting.

If you need to stop the test, please select the Pause Test Button on the screen.

To interrupt the test, select the **Pause Test** button. Use the **Resume Test** button at the top of the screen to resume the test at the last question you answered.

If the **Pause Test** button is not selected the system will automatically pause in about one (1) hour, and you will need to log back into the test with your original login information. The system will start the assessment where it was stopped.

After the last question, a summary screen will display.

Summary

1 skipped
1 marked for review

☐ I have completed my assessment and want to submit it for final grading.

When you have answered all the questions, a **Summary** screen will appear. This will allow you to go back and answer all **Skipped** or **Marked for Review** questions. The example to the left shows **1 skipped** and **1 marked for review** question.

Select the **Review Assessment** button.

Review Assessment

When you click on the **Review Assessment** button, you will be able to answer the **Skipped** and the **Marked for Review** questions. When finished, select the **Review Assessment** button to see the screen to the right.

When the **Review Assessment** screen shows **0**, check to make sure you see the word **No** in the **Review** column to verify that **ALL** questions have been answered. A **Yes** in the column will indicate the need to go back and answer that question.

When satisfied that all questions have been answered, click the **Return to Summary** button.

☒ I have completed my assessment and want to submit it for final grading.

Submit Assessment

Check the box showing that you have completed the assessment and select **Submit Assessment**.

KEEP THE BROWSER OPEN until the proctor says to close it.

Your test results will appear after submitting the assessment.

You will see your score once the test is submitted, and your teacher will get an email with the results.

- You can send the results to your school email address and/or your personal email address.
- Turn in all paper, pencils, Student IDs, and Passwords to the proctor.

To access the TSA, type this website address into your browser:

<https://ctetechnicalskillsassessments.azed.gov/student>. Once you have read the Student Test Agreement, select the **I Agree** button before moving on to the test questions. Be aware of the importance of this agreement, as students who have failed to comply with the stipulation have received invalid tests.

Student Test Agreement
